Hello,

I wanted to take a moment to pass along a picture of the ambulance and let you know that it hopefully will be ready this week. Also, I wanted to take a moment to say thank you for your support. I have been with the department for many years and I can say I have never been part of a working relationship as good as it is now. I know that it won't always be easy, but the open communications and working together helps to make us successful. I look forward to the continued work and my people notice an appreciate your support.

Thanks again!

Chief Lambert
