authorized to do so may enter their invoices into the accounts payable system for payment.

5.2 Purchase Orders. A completed purchase order and supporting documentation is required for purchases as delineated in this policy for amounts over \$1,000. Purchase orders must be approved in advance by the Town Administrator or Board of Selectmen as described below. Properly executed contracts by an authorized official constitute a purchase order and the authorization to expend funds.

- a. Department heads are authorized to make purchases on behalf of the Town in an amount up to \$1,000. Multiple vouchers to the same vendor dated within twenty (20) days of each other, each of which is permitted under this paragraph, but the total of which is over \$1,000, shall not be permitted without the Town Administrator’s review and approval.
- b. The Town Administrator is permitted to authorize department head purchases on behalf of the Town in an amount up to \$3,000.
- c. The Board shall approve, in advance, any purchase of \$3,000 or more, subject to the requirements of Section 5.1 as well as d and e hereof.
- d. In an emergency, the Chair of the Select Board is authorized to make purchases on behalf of the Town in an amount up to \$10,000; provided, however, that the Chair shall notify the other members of the Board within twenty-four (24) hours.
 - i. Any department head who secures permission from the Chair for an emergency expense shall note on the voucher the date and time of the Chair’s approval, and shall submit the voucher, counter-signed by the Town Administrator, at the next regular meeting of the Board.
 - ii. The BOS should set total spending amounts during an emergency. It may be difficult to get in contact with the Chairperson or a majority of the BOS during an emergency situation. We could easily spend over the amount authorized by a department head or the TA during an emergency.
- e. Any purchase in the amount of three thousand dollars (\$3,000.00) or more must have three (3) competitive bids. The result of the bids required in this policy shall be submitted to the Town Administrator for review by the appropriate department head. This does not address single source bidding and the solicitation of prices method.

- f. The provisions of this policy may be waived at any time for any reason by the Board. Waiver requests must be submitted, in writing, to the Town Administrator for review and approval, who shall thereafter submit the same to the Board for review and disposition.
- g. A purchase may exceed an approve purchase order by 10%, but not to exceed \$1,000.00, without seeking additional approval as long as the amount exceeding the purchase order is related to the original approved purchase.

Such evidence may include ownership papers, lease agreement, or proof of payment of local business property taxes.
