

Town of Allenstown, NH
Hazard Mitigation Committee

~Meeting 7 and Fluvial Erosion Hazard (FEH) Update~

Wednesday, August 13, 2014 • 4:00 - 5:30 PM

Allenstown Fire Station • 1 Ferry Street

AGENDA

1. Introductions, Initial Attendance Sheet, and Sign Meeting Match Timesheet
2. Review Status of Draft Hazard Mitigation Plan 10-09-13
 - PDM funding has been depleted, Plan will be completed once Suncook River Fluvial Erosion Hazard (FEH) Assessment becomes available
 - Allenstown's Plan expires in July 2015, PDM funding expires in September 2015
3. Review New FEMA Required Additions to NH's Haz Mit Plans
 - See Henniker's Plan example of natural hazard magnitude
 - These changes will also be required for Allenstown
4. Review State Funding for Suncook River Fluvial Erosion Hazard (FEH) Assessment
 - State Capital Budget Funding Agreement renewed through June 30, 2015
5. Review Status of Suncook River Fluvial Erosion Hazard (FEH) Assessment Additions
 - Potentially available to CNHRPC fall 2014
 - FEH insertions into the Haz Mit Plan will include:
 - Written narrative
 - Discussion, observations, and recommendations
 - Woody debris identification in GIS
 - River features in GIS
 - FEH zones in GIS
 - Can begin developing placeholders for data/maps in early fall prior to FEH receipt as time permits
6. TBD - Potential Meeting 8 in Fall 2014
 - To be scheduled by Town Administrator and Stephanie
 - Entire Suncook River FEH Assessment will be distributed to Committee
 - Draft 10-13 Haz Mit Plan will have additions from 10-13 meeting, some "clean up items", FEH inclusions for review, new FEMA natural hazard magnitude requirements, and maps of the FEH Assessments' GIS features for Committee review
 - Prepare for Public Information Meeting and Department Review of Plan, submittal to NHHSEM/FEMA
7. Questions?
 - ➔ Remember to....send publicity files in Word format (Press Release, Public Meeting Notice Poster) or printed newspaper or newsletter notice (not website) in .pdf format.
 - ➔ Send Photographs, photos, pictures, .jpgs of hazard events in Allenstown! We don't have any! Please review your Department files and email some in or let Stephanie borrow your CD/USB drive.
