Re: Notice of CDBG Award (15-143-CDPF)

Dear Mr. Mulholland:

Congratulations! On April 2, 2015, the Community Development Advisory Committee approved your application on behalf of Community Action Program Belknap-Merrimack Counties, Inc., to support the senior center construction project, in the amount of \$500,000, contingent upon the following:

1. sufficient funds are appropriated to and received by the State of New Hampshire from the US Department of Housing and Urban Development for the 2015 CDBG program year; and
2. any change in the project's score or rank due to either the Administrative Review Procedure (Cdfa 304.02) or substantial changes to this or other projects within 30 days of the Advisory Committee approval; and
3. confirmation of other pending funding sources; and
4. all standard and customary CDBG contract requirements.

Grant funds will be available to the project after the contract between the Community Development Finance Authority (CDFA) and the municipality is approved by the Governor and Executive Council.

Please do not sign any vendor contracts or obligate any funds without CDFA approval as there are federal requirements associated with these grant funds. These include, but are not limited to, the National Environmental Policy Act (NEPA), which **prohibits** the obligation or expenditure of project related CDBG and non-CDBG funds for activities with physical impacts or which limit the choice of alternatives until the environmental review process is completed and removal of environmental conditions is received from CDFA.

If you submitted a Determination of Environmental Exemption and Request of Release of Funds as part of your application, this constitutes the removal of the Environmental Condition for noted exempt activities only. Please call Joe Harrison name at 717-9123 with any questions.

The Catalog of Federal Domestic Assistance number for HUD Community Development Block Grants - State Administered Community Development Block Grant Program is 14.228.

Sincerely,

Taylor Caswell
Executive Director
