- 12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Subrecipient from any and all liability for damages sustained or incurred by the State as a result of the Subrecipient's breach of its obligations hereunder.
- 12.4. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Subrecipient hereunder, the Subrecipient, may terminate this Agreement without cause upon thirty (30) days written notice.

Neither the Subrecipient nor any of its officers, employees, agents, members, subcontractors or subgrantees, shall have authority to bind the State nor are they entitled to any of the benefits, workmen's compensation or emoluments provided by the State to its employees.
15. ASSIGNMENT AND SUBCONTRACTS. The Subrecipient shall not assign, or otherwise transfer any interest in this Agreement without the prior written consent of the State. None of the Project Work shall be subcontracted or subgranted by the Subrecipient other than as set forth in Exhibit A without the prior written consent of the State.
16. INDEMNIFICATION. The Subrecipient shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based on, resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Subrecipient or subcontractor, or subgrantee or other agent of the Subrecipient. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this agreement.
17. INSURANCE AND BOND.
- 17.1 The Subrecipient shall, at its own expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:

Each policy shall contain a clause prohibiting cancellation or modification of the policy earlier than ten (10) days after written notice thereof has been received by the State.

No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Subrecipient.
19. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses first above given.

However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR Part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

- **Cash Management:** Cash draw-downs will be initiated only when actually needed for disbursement (i.e., as close as possible to the time of making disbursements). Cash disbursements and balances will be reported in a timely manner as required by NHTSA. 49 CFR 18.20.

For subrecipients, recipients must establish reasonable procedures to ensure the receipt of reports on subrecipients' cash balances and cash disbursements in sufficient time to enable them to prepare complete and accurate cash transactions reports to the awarding agency. Recipients must monitor cash draw-downs by their subrecipients to assure that they conform substantially to the same standards of timing and amount as apply to advances to the recipients. 49 CFR 18.20. Failure to adhere to these provisions may result in the termination of draw-down privileges.

Office of Management and Budget Grant Conditions:

The following documents issued by the Office of Management and Budget (OMB) apply to all Federal grants regardless of the Federal Department making them available:

- **Audit Requirement of Federal Funds :** 2 CFR part 200, subpart F (formerly known as OMB Circular A-133) – These requirements apply to each non-profit organization, each institution of higher education, and local governments as a whole when they or one of their departments receives federal funds. Any non-profit organization, institution of higher education, or local government spending more

than \$750,000 in federal funds *from all sources* within a 12-month period must have an audit performed on the use of the funds. OGR defines the 12-month period as July 1 to June 30. The following link provides the full text of this basic federal grant requirement: <http://www.whitehouse.gov/omb/circulars/a133/a133.html>.

- **Cost Principles for Federal Grants to *State and Local Governments***
 - 2 CFR Part 225 (formerly known as OMB Circular A-87) – These requirements apply only to state and local government subrecipients. These regulations list and define general categories of costs that are both allowable and unallowable. Examples include the following:
 - The cost of alcoholic beverages is unallowable.
 - Costs incurred by advisory councils are allowable.
 - Audit costs are allowable.
 - Compensation costs are allowable so long as they are consistent with that paid for similar work in other activities of the local government.
 - Entertainment costs are unallowable.
 - Equipment costs are allowable with the prior approval of the HSO. Equipment having a useful life of more than one year or a current per-unit fair market value of \$5,000 or more must be tracked. When replacing equipment purchased with federal funds, the equipment to be replaced may be used as a trade-in or can be sold with the proceeds used to offset the cost of the replacement equipment. In addition, during the period of the contract with HSO, insurance on the equipment is allowable.
 - Travel costs are allowable if pre-approved by the HSO and so long as they are consistent with those normally allowed in like circumstances for non-federally funded activities. The following link provides the full text of this basic federal grant requirement: http://www.whitehouse.gov/omb/fedreg/2005/083105_a87.pdf.

- **Cost Principles for Federal Grants to *Non-Profit Organizations and Institutions of Higher Education*** - These requirements apply to only the non-profit and higher education sub recipients. These document list and define general categories of costs that are allowable and unallowable. The links below provide the full text of these two basic federal grant requirements.
 - 2 CFR Part 220 – Educational Institutions (formerly known as OMB Circular A-21): http://www.whitehouse.gov/omb/fedreg/2005/083105_a21.pdf.
 - 2 CFR Part 230 – Non-profit Organizations (formerly known as OMB Circular A-122): http://www.whitehouse.gov/omb/fedreg/2005/083105_a122.pdf.

I understand that failure to comply with applicable Federal statutes and regulations may subject State officials to civil or criminal penalties and/or place the State in a high risk grantee status in accordance with 49 CFR 18.12.

I sign these Certifications and Assurances based on personal knowledge, after appropriate inquiry, and I understand that the Government will rely on these representations in awarding grant funds.

Scope of Services for Traffic Enforcement Grants

- Departments may conduct patrols during any time that data indicate there is an increased risk for the driving behavior being combatted. OHS strongly encourages departments to review their local crash data to determine times and locations where grant-funded patrols would have the greatest impact. In the absence of data regarding times of day, the STEP patrols should be conducted during commuter hours. DUI patrols can be worked between 1800-0300. However, it is recommended that at least 50% be from 2100-0300.
- DUI patrol shifts are encouraged to be 6 hours in length.
- STEP and Pedestrian/Bicycle patrols are encouraged to be 3-4 hours in length.
- Departments with DWI enforcement grants are strongly encouraged to conduct patrols during the two national *Drive Sober or Get Pulled Over* (DSGPO) Mobilizations (December 15, 2016-January 1, 2017 and August 18-September 3, 2017).
- Departments with STEP grants are required to conduct patrols during the “*Join the NH Clique*” which coincides with the national *Click It or Ticket* Mobilization (May 22-June 4, 2017) and *Border to Border Operation* (May 22, 2017), and Operation Safe Commute. See Operation Safe Commute dates below.
- Join the NH Clique must be conducted during daylight hours and it’s recommended they be at locations such as elementary schools, high schools, shopping centers, and any other locations where children will be located.
- Departments with PEDESTRIAN/BICYCLE enforcement grants shall conduct overtime patrols aimed at enforcing the state’s pedestrian/bicycle laws. Patrols will be conducted year round with a focus on the summer months primarily in downtown locations during the evening commuting hours.
- All departments with a STEP grant are required to participate in the *Operation Safe Commute* NH statewide effort (October 7, 2016, November 23, 2016, December 31, 2016, January 13, 2017, February 17, 2017, March 17, 2017, April 13, 2017, May 26, 2017, June 9, 2017, June 30, 2017, August 8, 2017, September 1, 2017).
- *Operation Safe Commute* patrols will consist of 3 or 4-hour shifts in either the morning or afternoon commute on the dates specified above.
- Officers funded during these enforcement grants shall be dedicated in total to traffic law enforcement, except in the case of a criminal offense committed in the officer’s presence, in the case of response to an officer in distress, or in the case of a riot where all available personnel must divert their attention.
- Officers may pull over drivers for any driving offense during patrols. This includes, but is not limited to, suspected drunk driving, speeding, school bus violations, CPS violations, red light/stop sign running, and distracted driving.
- If an officer makes an arrest during the shift, but does not complete the arrest before the shift is scheduled to end, the officer can continue working under the grant to complete that arrest even if the time exceeds the six-hour shift limit. However, the total request for reimbursement must not exceed the approved budget.
- Enforcement Grants are for overtime enforcement only.
- Departments will be reimbursed for actual hours worked.
- Full time officers will be reimbursed at an overtime rate of pay as established by the department and/or municipality for hours worked during the mobilizations. Part-time officers will be reimbursed at their normal hourly rate of pay.
- The Reimbursement form must be signed and dated by an (the Chief or another) Authorized Signatory. (Individuals working the enforcement patrol may not sign off on the Reimbursement form (HS-20). If the Chief works the enforcement patrol, a community official must sign off on the Reimbursement form (HS-20). In addition, the Chief may not sign off on the Reimbursement form (HS-20) if his/her spouse, child or sibling works the same enforcement patrol.)
- Departments are recommended to conduct a minimum of three documented stops/contacts per hour. Please note that documented stops/contacts do not necessarily have to result in the issuance of a summons. Documented stops/contacts are defined as any grant-funded patrol officer contact with motorists during traffic enforcement periods that can be supported by written or electronic records maintained at the police department. These records must be maintained in a manner that guarantees their accountability during a review or monitoring site visit.
- If patrols result in few traffic stops, please provide an explanation on the Activity Report as to why an officer was unable to make the recommended number of stops (poor weather, for example).

- Nothing in this grant shall be interpreted as a requirement, formal or informal, that a law enforcement officer issue a specified or predetermined number of summons in pursuance of the department's obligation associated with the grant.
- Command staff may participate in and be compensated for enforcement details if acting in a traffic enforcement role rather than acting exclusively in a supervisory role overseeing officers engaged in traffic enforcement.
- Failure to comply with reporting requirements may result in non-reimbursement of funds or suspension of grant award.
- Departments must keep on file copies of summons, documented stops/contacts, officers' time schedules written under this grant program, and all other pertinent information.
- Patrols must be one officer per cruiser. However, multiple cruisers may be out at one time.
