RE: Catch Basin Cleaning

Thank you for the opportunity to give you a price to clean the catch basins throughout the town of Allenstown, NH. We will clean out the debris from the approximate 130 catch basins and dispose of it at a disposal site provided by the town of Allenstown. The town of Allenstown will provide access to water when needed to perform the cleanings. This agreement is valid for the years 2016, 2017, 2018 when cleaning all the catch basins in Allenstown. The cost will be \$125.00 per hour at a 4 hour minimum.

Once again thank you for this opportunity and if you have any questions please let me know.

Thank you,
