Town of Allenstown Selectboard
16 School St
Allenstown NH 03275

Dear Selectboard members,

Attached is an invitation to a Site Evaluation committee (SEC) Information meeting on May 4th sponsored by grassroots Northern Pass groups. As you may know, the SEC has the authority to approve, modify, or deny Northern Pass's application to construct a transmission line in NH. This application is expected at the end of the year or early 2015. Towns may file as interveners. The meeting is being held now to orient Selectboard members to the SEC process.

If a Selectboard member is unable to attend, please forward this letter to a member of another town department (planning, zoning, etc.) who may represent and report to you.

If you have questions, please contact Gail Beaulieu at Stopnorthernpassasproposed@gmail.com or Susan Schibanoff at burynorthernpass@gmail.com.

We would also appreciate your letting us know if you will be able to attend.

Thank you.
