Nothing in this Franchise shall be construed to prohibit Franchisee from offering any service over its Cable System that is not prohibited by federal or State law.

(b) This Renewal Franchise is granted under and in compliance with the Cable Act and RSA 53-C of the Laws of New Hampshire, and in compliance with all rules and regulations of the FCC and other applicable rules and regulations in force and effect during the period for which this Renewal Franchise is granted.

(c) Subject to the terms and conditions herein, the Franchising Authority hereby grants to Franchisee the right to construct, upgrade, install, operate and maintain a Cable Television System within the Public Way.

SECTION 2.2 - TERM: NON-EXCLUSIVITY

The term of this non-exclusive Renewal Franchise shall be for a period of five (5) years and shall commence on July 11, 2015 following the expiration of the current Franchise, and shall expire at midnight on July 10, 2020.

SECTION 2.3 - RENEWAL OF FRANCHISE

The renewal of this Franchise shall be governed by applicable federal law and regulations promulgated hereunder and by applicable New Hampshire law.

SECTION 2.4 - NON-EXCLUSIVITY OF FRANCHISE

(a) Franchisee acknowledges and agrees that the Franchising Authority reserves the right to grant one or more additional franchises to other Cable Service providers within the Town for the right to use and occupy the Public Ways within the Franchising Authority's jurisdiction; provided, however, that in accordance with RSA 53-C:3-b no such franchise agreement shall contain terms or conditions more favorable or less burdensome than those in any existing Franchise within the Town, when such terms are taken as a whole.

(b) In the event that the Franchisee believes that any additional franchise has been granted or modified to include terms and conditions that are, when taken as a whole, more favorable or less burdensome than those contained in this Renewal Franchise, the Franchisee may so notify the Franchising Authority in writing and may request that the Franchising Authority convene a hearing on such issue. Along with said written request, the Franchisee shall provide the Franchising Authority with written reasons for its belief. At said hearing, the Franchisee shall have an opportunity to demonstrate that any such additional franchise is on terms more favorable or less burdensome than those contained in this Renewal Franchise, when the terms are taken as a whole. The Franchisee shall provide the Franchising Authority with such financial or other relevant information as is requested.

(c) Should the Franchisee demonstrate that any such additional franchise has been granted on terms and conditions more favorable or less burdensome than those contained in this Renewal Franchise, the Franchising Authority shall consider and negotiate, in good faith, equitable amendments to this Renewal Franchise within a reasonable time.

SECTION 2.5 - RESERVATION OF AUTHORITY

Nothing in this Renewal Franchise shall (i) abrogate the right of the Franchising Authority to perform any public works or public improvements of any description, (ii) be construed as a waiver of any codes or bylaws/ordinances/ordinances of general applicability and not specific to the Cable Television System, Franchisee, or this Franchise, or (iii) be construed as a waiver or release of the rights of the Franchising Authority in and to the Public Ways. Any conflict between

the terms of this Renewal Franchise and any present or future exercise of the municipality's police and regulatory powers shall be resolved by a court of appropriate jurisdiction.

SECTION 2.6 - POLE AND CONDUIT ATTACHMENT RIGHTS

(a) If Franchisee desires to install its own poles in the right of way, it shall comply with RSA 231:161 and 160-a. Pursuant to RSA 231:161, permission is hereby granted to Franchisee to attach or otherwise affix including, but not limited to, cables, wire, or optical fibers comprising the Cable Television System to the existing poles and conduits on and under the Public Ways, provided Franchisee secures the permission and consent of the public utility companies to affix the cables and/or wires to their pole and conduit facilities. By virtue of this Franchise the Franchising Authority grants Franchisee equal standing with power and telephone utilities in the manner of placement of facilities on Public Ways, subject to the lawful exercise of the authority of the Town to approve the location of all installations in the Public Ways, and subject to the Town's lawful use of the Public Ways.

Accordingly, this is a material term of the Franchise and failure to pay duly and properly assessed personal and real property taxes when due shall be

cause for Franchising Authority to provide a written notice to Franchisee, pursuant to the provisions of Section 8.8, to show cause by a date certain specified in the notice as to why this Franchise should not be revoked pursuant to Section 8.7 (Revocation of Franchise) of the Franchise. To the extent applicable law provides authority for the Franchising Authority to assess taxes on Franchisee, pursuant to RSA 72:23, I(b), 72:8-a, 73:10 and/or 48-B:4 or otherwise, the Franchising Authority shall be authorized to impose such taxes and Franchisee shall be obligated to pay such properly assessed taxes. However, Franchisee reserves all rights to appeal any assessment of personal or real property taxes. Further, the parties acknowledge that as of the execution date hereof there is a dispute between the parties concerning the applicability of RSA 72:23 to the Cable System. The parties agree to abide by any final decision made by a court of competent jurisdiction after all appeals by either party have been exhausted.

(c) Nothing in this Franchise shall be deemed a waiver or relinquishment of any rights, defenses or claims that Franchisee may have with respect to the application of any law referenced in this Section 2.6 to Franchisee's services or the operation of its Cable System. Franchisee shall have the right to pass through to Subscribers and to itemize separately on Subscribers' monthly bills any tax imposed on Franchisee by the Franchising Authority.

The Franchising Authority or its designee shall consult with a representative of Franchisee to determine the appropriate location for each of such Public Building's respective Outlet prior to requesting that Franchisee install the service.

(c) Nothing in this Section shall require Franchisee to move existing or install additional Drops or Outlets at no charge to those Public Buildings included in **Exhibit A**, or to move existing or install additional Drops or Outlets already installed in Public Buildings pursuant to Subsection (b) above.

(d) The Franchisee shall not be responsible for any internal wiring of such Public Buildings.

SECTION 3.4 - PARENTAL CONTROL CAPABILITY

(a) Pursuant to applicable law, upon request, and at no separate, additional charge, Franchisee shall provide Subscribers with the capability to control the reception of any channel on the Cable System.

(f) Upon written notice from the Franchising Authority, Franchisee shall remedy a general deficiency with respect to the technical standards described herein within two (2) months of receipt of notice and a safety deficiency within twenty-four (24) hours of receipt of notice and shall notify the Franchising Authority when the deficiency has been corrected.

SECTION 4.2 - CABLE LOCATION

(a) In all areas of the Town where all of the transmission and distribution facilities of all public or municipal utilities are installed underground, Franchisee shall install its Cable System underground provided that such facilities are actually capable of receiving Franchisee's cable and other equipment without technical degradation of the Cable System's Signal quality.

(b) In all areas of the Town where public utility lines are aerially placed, if subsequently during the term of Franchise Renewal such public utility lines are required by local ordinance or State law to be relocated aerially or underground, Franchisee shall similarly relocate its Cable System if it is given reasonable notice and access to the public and municipal utilities facilities at the time that such are placed underground. Any costs incurred by Franchisee for relocating utility poles or trenching for the placement of underground conduits shall be entitled to reimbursement of such relocation costs in the event public or private funds are raised for the project and made available to other users of the Public Way. If reimbursement is not available and Franchisee is required to place existing aerial plant underground, the Franchisee reserves its right to pass those costs through to Subscribers if and to the extent allowed by applicable law.

(c) Provided Franchisee has at least ninety (90) days' prior written notice concerning the opening of residential subdivision trenching, or of the installation of conduit for the location of

utilities, it shall install its cable in such trenching or conduits or may seek permission to utilize alternative trenching or conduits within a comparable time frame. If a substantial quantity of cable is required for a large subdivision and said quantity is not in stock, Franchisee shall be allowed reasonable additional time for said installation. The Franchising Authority, or its designee, shall exercise reasonable efforts to have the Planning Board and developers give timely written notice of trenching and underground construction to Franchisee. Developer shall be responsible for the digging and back-filling of all trenches.

If Franchisee fails to make such restoration within a reasonable time, the Franchising Authority may fix a reasonable time for such restoration and repairs and shall notify Franchisee in writing of the restoration and repairs required and the time fixed for the performance thereof. Upon failure of Franchisee to comply within the time specified, the Franchising Authority may cause proper restoration and repairs to be made and the expense of such work shall be paid by Franchisee upon written demand by the Franchising Authority. However, prior to such repair or restoration the Town should submit a written estimate to Franchisee of the actual cost of said repair or restoration.

SECTION 4.4 - TREE TRIMMING

(f) In the event that the Franchising Authority, or its designee(s), finds a pattern of multiple unresolved Subscriber complaints, the Franchising Authority or its designee(s) and the Franchisee shall discuss, in good faith, possible amendments to the Franchisee's procedures for the resolution of complaints. The Franchising Authority may, in its discretion, also, or in the alternative, provide notice to Franchisee pursuant to Section 8.8 below, of Franchisee's failure to comply with the material terms and conditions of this Franchise, amounting to grounds for the Franchising Authority to revoke this Renewal Franchise or to pursue other remedies available to it pursuant to the procedures in Section 8.7.

SECTION 6.3 - SERVICE INTERRUPTIONS

In the event that Franchisee's service to any Subscriber is completely interrupted for twenty-four (24) or more consecutive hours, Franchisee will grant such Subscriber a pro rata credit or rebate upon request, on a daily basis, of that portion of the service charge during the next consecutive billing cycle, or at its option, apply such credit to any outstanding balance then currently due. (f) No acceptance of any payment shall be construed as an accord that the payment is, in fact, the correct amount, nor shall acceptance of payment be construed as a release of (1) any claim the Franchising Authority may have for further or additional sums payable under provisions of this Franchise; or (2) any other claim whatsoever.

(g) The Franchising Authority agrees to protect any information supplied to it in accordance with Section 6.6.

excused by force majeure, the Franchising Authority shall notify Franchisee in writing, by certified mail, of the provision or provisions of which the Franchising Authority believes Franchisee may have been in default and the details relating thereto. Franchisee shall have thirty (30) days from the receipt of such notice to:

(b) respond to the Franchising Authority in writing, contesting the Franchising Authority's assertion of default and providing such information or documentation as may be necessary to support Franchisee's position; or

(c) cure any such default (and provide written evidence of the same) or, in the event that by nature of the default such default cannot be cured within such thirty (30) day period, take reasonable steps to cure said default and diligently continue such efforts until said default is cured. Franchisee shall be provided reasonable opportunity to offer evidence, and be heard at such public hearing. Within thirty (30) days after said public hearing the Franchising Authority shall determine whether or not the Franchisee is in default of any provision of this Renewal Franchisee.

(e) In the event that the Franchising Authority determines that Franchisee is in default, the Franchising Authority may determine to pursue any of the following remedies:

- (i) seek specific performance of any provision of the Renewal Franchise which reasonably lends itself to such remedy as an alternative to damages;

Within thirty (30) days of receiving a request for consent, the Franchising Authority shall, in accordance with FCC rules and regulations, notify Franchisee in writing of the additional information, if any, it requires to determine the legal, financial, and technical qualifications of the transferee or new controlling party. If the Franchising Authority has not taken action on Franchisee's request for consent within one hundred twenty (120) days after receiving such request, consent shall be deemed given.

SECTION 8.10 - REMOVAL OF SYSTEM

Upon termination of this Franchise Renewal or of any renewal hereof by passage of time or otherwise, Franchisee shall remove its supporting structures, poles, transmission and distribution systems and other appurtenances from the Public Way and other public and private places in, over, under, or along which they are installed and shall restore the areas to their original condition. If such removal is not completed within six (6) months of such termination, the Franchising Authority or property owner may deem any property not removed as having been abandoned.

SECTION 8.11 - INCORPORATION BY REFERENCE

(a) All presently and hereafter applicable conditions and requirements of federal, State and local laws, including but not limited to the rules and regulations of the FCC and the State of New Hampshire, as they may be amended from time to time, are incorporated herein by reference to the extent not enumerated herein. All such general laws, rules and regulations, as amended, shall control the interpretation and performance of this Renewal Franchise to the extent that any provision of this Renewal Franchise conflicts with or is inconsistent with such laws, rules or regulations.

(b) Should the State of New Hampshire, the federal government or the FCC require Franchisee to perform or refrain from performing any act the performance or non-performance of which is inconsistent with any provisions herein, the Franchising Authority and Franchisee will thereupon, if they determine that a material provision herein is affected, modify any of the provisions herein to reflect such government action.

(b) Nothing in this rule should be construed to prevent or prohibit:

(1) A franchising authority and a cable operator from agreeing to customer service requirements that exceed the standards set forth in paragraph (c) of this section;

(2) A franchising authority from enforcing, through the end of the franchise term, pre-existing customer service requirements that exceed the standards set forth in paragraph (c) of this section and are contained in current franchise agreements;

(4) The establishment or enforcement of any State or municipal law or regulation concerning customer service that imposes customer service requirements that exceed, or address matters not addressed by the standards set forth in paragraph (c) of this section.

(c) Effective July 1, 1993, a cable operator shall be subject to the following customer service standards:

(1) Cable system office hours and telephone availability--

(i) The cable operator will maintain a local, toll-free or collect call telephone access line which will be available to its subscribers 24 hours a day, seven days a week.

(A) Trained company representatives will be available to respond to customer telephone inquiries during normal business hours.

(B) After normal business hours, the access line may be answered by a service or an automated response system, including an answering machine. Inquiries received after normal business hours must be responded to by a trained company representative on the next business day.

(ii) Under normal operating conditions, telephone answer time by a customer representative, including wait time, shall not exceed thirty (30) seconds when the connection is made. If the call needs to be transferred, transfer time shall not exceed thirty (30) seconds. These standards shall be met no less than ninety (90) percent of the time under normal operating conditions, measured on a quarterly basis.

(iii) The operator will not be required to acquire equipment or perform surveys to measure compliance with the telephone answering standards above unless an historical record of complaints indicates a clear failure to comply.

(v) Customer service center and bill payment locations will be open at least during normal business hours and will be conveniently located.

(2) Installations, outages and service calls. Under normal operating conditions, each of the following four standards will be met no less than ninety-five (95) percent of the time measured on a quarterly basis:

(i) Standard installations will be performed within seven (7) business days after an order has been placed. "Standard" installations are those that are located up to 125 feet from the existing distribution system.

(ii) Excluding conditions beyond the control of the operator, the cable operator will begin working on "service interruptions" promptly and in no event later than 24 hours after the interruption becomes Known. The cable operator must begin actions to correct other service problems the next business day after notification of the service problem.

(iii) The "appointment window" alternatives for installations, service calls, and other installation activities will be either a specific time or, at maximum, a four-hour time block during normal business hours. (The operator may schedule service calls and other installation activities outside of normal business hours for the express convenience of the customer.)

(iv) An operator may not cancel an appointment with a customer after the close of business on the business day prior to the scheduled appointment.

(v) If a cable operator representative is running late for an appointment with a customer and will not be able to keep the appointment as scheduled, the customer will be contacted. The appointment will be rescheduled, as necessary, at a time that is convenient for the customer.

(3) Communications between cable operators and cable subscribers--

(i) Refunds--Refund checks will be issued promptly, but no later than either--

(A) The customer's next billing cycle following resolution of the request or thirty (30) days, whichever is earlier, or

(B) The return of the equipment supplied by the cable operator if service is terminated.

(ii) Credits--Credits for service will be issued no later than the customer's next billing cycle following the determination that a credit is warranted.

(4) Definitions--

Those conditions which are not within the control of the cable operator include, but are not limited to, natural disasters, civil disturbances, power outages, telephone network outages, and severe or unusual weather conditions. Those conditions which are ordinarily within the control of the cable operator include, but are not limited to, special promotions, pay-per-view events, rate increases, regular peak or seasonal demand periods, and maintenance or upgrade of the cable system.

Regulations Re: Notifications

Sec. 76.1602 Customer service--general information.

(a) A cable franchise authority may enforce the customer service standards set forth in paragraph (b) of this section against cable operators. The franchise authority must provide affected cable operators 90 days written notice of its intent to enforce standards.

(b) Effective July 1, 1993, the cable operator shall provide written information on each of the following areas at the time of installation of service, at least annually to all subscribers, and at any time upon request:

(1) Products and services offered;

(2) Prices and options for programming services and conditions of subscription to programming and other services;

(3) Installation and service maintenance policies;

(4) Instructions on how to use the cable service;

(5) Channel positions of programming carried on the system; and

(6) Billing and complaint procedures, including the address and telephone number of the local franchise authority's cable office.

(c) Subscribers shall be advised of the procedures for resolution of complaints about the quality of the television signal delivered by the cable system operator, including the address of the responsible officer of the local franchising authority.

Sec. 76.1603 Customer service--rate and service changes.

(a) A cable franchise authority may enforce the customer service standards set forth in paragraph (b) of this section against cable operators. The franchise authority must provide affected cable operators 90 days written notice of its intent to enforce standards.

(b) Customers will be notified of any changes in rates, programming services or channel positions as soon as possible in writing. Notice must be given to subscribers a minimum of thirty (30) days in advance of such changes if the change is within the control of the cable operator. In addition, the cable operator shall notify subscribers 30 days in advance of any significant changes in the other information required by Sec. 76.1602.

(c) In addition to the requirement of paragraph (b) of this section regarding advance notification to customers of any changes in rates, programming services or channel positions, cable systems shall give 30 days' written notice to both subscribers and local franchising authorities before implementing any rate or service change. Such notice shall state the precise amount of any rate change and briefly explain in readily understandable fashion the cause of the rate change (e.g., inflation, change in external costs or the addition/deletion of channels). When the change involves the addition or deletion of channels, each channel added or deleted must be separately identified. For purposes of the carriage of digital broadcast signals, the operator need only identify for subscribers, the television signal added and not whether that signal may be multiplexed during certain dayparts.

(d) A cable operator shall provide written notice to a subscriber of any increase in the price to be charged for the basic service tier or associated equipment at least 30 days before any proposed increase is effective. The notice should include the name and address of the local franchising authority.

(e) To the extent the operator is required to provide notice of service and rate changes to subscribers, the operator may provide such notice using any reasonable written means at its sole discretion.

(f) Notwithstanding any other provision of part 76 of this chapter, a cable operator shall not be required to provide prior notice of any rate change that is the result of a regulatory fee, franchise fee, or any other fee, tax, assessment, or charge of any kind imposed by any Federal agency, State, or franchising authority on the transaction between the operator and the subscriber.
