A Northeast Utilities Company

Important Information from PSNH about Work in your Neighborhood

Public Service of New Hampshire (PSNH) has some upcoming line maintenance work that is located in the corridor that passes through your neighborhood.

In preparation for this work, PSNH's environmental contractor will be working within the corridor, in November, to conduct field data collection and to flag sensitive resource areas. The contractors will be carrying proper identification.

Construction is scheduled to start in early 2015, at which time a construction notification will be issued to provide additional information.

If you have any questions or concerns, please call our Project hotline at:

[1-888-926-5334](tel:1-888-926-5334)

or send us an email at :

NHTransmissionInfo@psnh.com

Thank you in advance for your cooperation as we work to better serve you.
