### Meeting Notes:

The Executive Council convened today at 10 am at the State House. Here's an overview of the Council meeting, focusing on issues with both statewide and District 4 significance:

### Nominations

The Governor nominated Frank Lemay of Chichester to the Lakes Management Advisory Committee; Christine Infantine of Manchester to the Board of Barbering, Cosmetology and Esthetics; John Wheeler of Bow to the Board of Medicine; David Allen of Londonderry to the Motor Vehicle Industry Board; and John Cronin of Manchester to the Real Estate Commission.

### Confirmations

The Council confirmed Vicki Quiram of Bedford as Commissioner of Administrative Services; Kevin O'Brien as Assistant Safety Commissioner; and Christine Williams of Bedford to the Volunteer NH Board of Directors.

### Resignations

The Council accepted the resignations of Peter Thomson from the Highway Safety Agency and that of Circuit Court Judge Gerard Boyle.

### Road Paving Contracts

The Council approved several contracts to pave 423 miles of state roads and turnpikes. The contracts were \$2.5 million under the department's estimates, primarily due to the lower cost of fuel. Additional paving work is contingent on funding that comes through in the next state budget and will be needed if the state is to hit its annual target to resurface 500 miles of roadway.

Included in these contracts is the resurfacing of portions of:

- Route 121 in Auburn
- Main Street, Horse Corner Road, and Canterbury Road in Chichester
- Route 114 in Goffstown
- Route 28a in Hooksett
- Peabody Row Road in Londonderry
- Lake Shore Drive in Northwood
- Route 43 in Deerfield and Northwood
- Academy and Buck Road in Pembroke
- Route 107 in Pittsfield
- 

### **Turnpike Bonds**

The Council approved the issuance of up to \$50 million in turnpike bonds to fund several road projects on the state's 10 year plan. The bonds will cover future construction on various projects including a new open road tolling facility in Bedford. The bonds also cover design and engineering work on the widening of I-93 from Bow to Concord, the rehabilitation of Exits 6 and 7 on the Everett Turnpike in Manchester, and a new Exit 10 on the Spaulding Turnpike in Dover.

### **Southern NH Services Contract**

The Council approved an \$8.9 million contract extension with Southern NH Services to provide staffing, employment, and training services. The contract is 75% federally funded.

### **Janitorial Supply Contract**

The Council defeated, on a 3-2 vote, a contract with WB Mason to provide janitorial supplies to the state for the next three years. Many councilors raised questions about the company's aggressive price schedule and how they might seek to raise prices in years two and three. The contract will likely be rebid in the near future, perhaps as several different agenda items that could ensure competition in the marketplace.

### **Drinking Water System Improvements**

The Council approved \$10 million in low interest loans through the state's Drinking Water Revolving Fund to several local entities. Included is a \$2 million loan to the Manchester Water Works.

Today's complete agenda is available [here](#), along with the minutes and audio recording. The next G&C meeting will be held Wednesday, May 6, at 10 am. Stay tuned for future updates, and please don't hesitate to contact me with your thoughts or concerns.
