This map was produced by the Central NH Regional Planning Commission for the Town of Allenstown-Suncook River Hazard Mitigation Plan Update 2015 in May 2015. It is intended for planning purposes only.

Please contact the NH Geological Survey (NHGS) at 603-271-2876 for more information about fluvial geomorphology features or for on-site technical assistance to discuss recommendations. Visit the NH website at NHDES: www.des.nh.gov/organization/commissioner/gsu/fehg.

Funded through NH Homeland Security and Emergency Management and the Federal Emergency Management Agency.

Data Sources: NH GRANIT, NH Department of Transportation, NH Department of Environmental Services, CNHRPC, NH Geological Survey, Field Geology Services (geomorphology), and Hazard Mitigation Committee input.

Corrections should be provided to the Town of Allenstown and to the CNHRPC.
