Dear Mr. Mulholland:

On behalf of the Northern Pass Transmission Project, I want to make you aware of upcoming efforts by the Project to meet with the landowners along the proposed Northern Pass route in the Allenstown community.

In the month of April, Northern Pass will be meeting with individual landowners along the entire 4.0 miles of rights-of-way (ROW) in Allenstown. Project Outreach Specialists will be contacting each landowner to schedule one-on-one meetings, at a time of the landowners' choosing. The purpose of these meetings is to address any questions or concerns the landowner may have regarding the Project as it specifically relates to their property (e.g., structure locations), and for our team to also provide a general update on the Project.

If you have any questions regarding the individual landowner meetings, please feel free to contact me at the email address or phone number listed below. For your reference, I have provided a copy of the letter we have sent to individual landowners in Allenstown.

Sincerely,

Jerry P. Fortier
