Multiple vouchers to the same vendor dated within twenty (20) days of each other, each of which is permitted under this paragraph, but the total of which is over \$1,000, shall not be permitted without the Town Administrator's review and approval.
- b. The Town Administrator is authorized to make and authorize purchases on behalf of the Town in an amount up to \$5,000.

  - ii. The BOS should set total spending amounts during an emergency. It may be difficult to get in contact with the Chairperson or a majority of the BOS during an emergency situation. We could easily spend over the amount authorized by a department head or the TA during an emergency.
- e. Any purchase in the amount of three thousand dollars (\$3,000.00) or more must have three (3) competitive bids. The result of the bids required in this policy shall be submitted to the Town Administrator for review by the appropriate department head. This does not address single source bidding and the solicitation of prices method.
