Provides provisions for certain signs not requiring a permit, including: grandfathered, government signs, street numbering, required warning signs, temporary signs; provides provisions for temporary signs; provides maintenance and replacing provisions of all signs; provides certain requirements for flags; provides guidance for “sandwich signs;”

And, provides definitions including: A-Frame/Sandwich Board Sign, Animated or Moving sign, Awning sign, Changeable Copy Sign, Complex, Directional Sign, Double-Faced Sign, Electronic Reader Board, Freestanding Sign, Government Sign, Grandfathered/Non-conforming Sign, Height of Sign, Historic Plaque, Illuminated Sign, Portable Sign, Projecting Sign, Roof Line, Roof Sign, Seasonal Agricultural Sign, Sign, Temporary Sign, Unit, Wall Sign, and Window Sign.

Recommended by the Planning Board

ARTICLE 5

Are you in favor of the adoption of Amendment No.4 as proposed by the Allenstown Planning Board for the Town of Allenstown Zoning Ordinance as follows:

To amend Article XI, Supplemental Regulations, by creating a new Accessory Dwelling Unit Section 1124 in accordance with NH RSA 674:72, as amended. This new Section shall specify that an Accessory Dwelling Unit (ADU) is permitted on any lot containing a single family home and that it must be attached to the home; that the Planning Board is authorized to issue a Conditional Use Permit if the applicant can demonstrate that certain requirements have been met including: not more than one ADU per lot, must be an independent living unit, must have

an interior door between the ADU and principal structure, there must be adequate water and sewer disposal, the ADU maintains the look and feel of the single family home, the owner of the property must occupy either the single family home or ADU, and, that the ADU must not exceed one half of the total floor area of the single family dwelling if it is over 775 square feet; and, specify certain application material requirements and fees associated with submitting a Conditional Use Permit application.

Recommended by the Planning Board

ARTICLE 6

Are you in favor of the adoption of Amendment No. 5 by the Allenstown Planning Board for the Town of Allenstown Zoning Ordinance as follows:

To amend Article XVII, Presite Built Housing and Manufactured Housing, Section 1703.h.1 by specifying that all home sites shall be at least 10,000 square feet in size.

To amend Article XVII, Presite Built Housing and Manufactured Housing, Section 1703.h.2 by specifying that each home site shall maintain a fifteen foot setback from the front and rear site line.

Recommended by the Planning Board

ARTICLE 7

Are you in favor of the adoption of Amendment No. 6 by the Allenstown Planning Board for the Town of Allenstown Zoning Ordinance as follows:

To amend Article XXII, Agricultural Conservation District, Section 2201.C by specifying the boundaries of the district are those depicted on the Official Zoning Map of the Town of Allenstown, dated March 14, 2017.

To adopt a new Official Zoning Map of the Town of Allenstown, dated March 14, 2017 as prepared by the Central New Hampshire Regional Planning Commission and entitled: Official Zoning Map of the Town of Allenstown, NH March 14, 2017.

Recommended by the Planning Board

ARTICLE 8

Are you in favor of the adoption of Amendment No. 7 by the Allenstown Planning Board for the Town of Allenstown Zoning Ordinance as follows:

To amend Article XXV, Permanent (Post-Construction) Stormwater Management Ordinance, Section III by adding text to specify that single family homes and duplexes that are on individual lots and not part of a larger development that requires a Stormwater Management Permit are exempt from the Article.

To amend Article XXV, Permanent (Post-Construction) Stormwater Management Ordinance, Section IV by adding text to specify that the provisions of the Stormwater Management Plan section are required components for new development, as applicable.

Recommended by the Planning Board

ARTICLE 9

Are you in favor of the adoption of Amendment No.8 by the Allenstown Planning Board for the Town of Allenstown Zoning Ordinance as follows:

To amend Article XXVI, Adult Business Ordinance, by amending Section VIII.B.a to indicate that all setback requirements must be met.

To amend Article XXV, Permanent (Post-Construction) Stormwater Management Ordinance, Section III, by adding Section C which exempts single family and duplex homes on individual lots and not part of a larger development requiring a Stormwater Management Permit from the Ordinance.

To amend Article XXV, Permanent (Post-Construction) Stormwater Management Ordinance, Section IV, by adding the words “[o]ther required components for new development, as applicable, include.”

Recommended by the Planning Board

ARTICLE 10

Are you in favor of the adoption of Amendment No.9 by the Allenstown Planning Board for the Town of Allenstown Zoning Ordinance as follows:

To establish a new Article XXVIII pertaining to Alternative Energy under the provisions of NH RSA 674:21 for the purpose of accommodating demands for alternative energy systems and

implementing the Allenstown Master Plan, with certain provisions for Small Wind Systems and Small solar systems, including:

Small Wind Systems: a conditional use permit shall be required by the building inspector; specifying certain application materials including a plan showing location and design of the system with setbacks and property features, system design specifications, evidence of compliance with various governmental entities, abutter information, power grid connection information (as applicable), sound analysis, and regional notification provisions in accordance with NH RSA 674:66; specification of certain standards for compliance in order for the permit to be issued by the Building Inspector include: setbacks, zoning district permissibility (small wind systems are permitted by right in the Open Space and Farming Zone only), wind system design (approved designer, height, sound, appearance, shadow flicker, code compliance Federal Aviation Administration specifications), visual impacts, mitigation of impact to abutters, utility connection, access, and clearance of vegetation.

Small Wind Systems: all small-scale solar systems must be installed in accordance with all applicable codes, regulations, and standards; systems for the benefit of those on site but “net metering/net billing” is not prohibited; permitting shall follow State Building Code, as applicable; small-scale solar is permitted in all districts in Allenstown; a building permit shall be required for all roof-top and building-mounted installations; height limitations in the Zoning Ordinance are not applicable to roof systems; ground-mounted systems shall adhere to all setbacks, may not exceed twenty feet of height at maximum tilt, shall be reasonably screened and minimize view blockage; and shall require a building permit; Solar-thermal systems shall require a building permit; Solar Systems shall only be permitted if they are deemed safe by the Building Inspector given certain factors (Building and Life Safety Code compliance, weight load, wind resistance, ingress/egress during emergency; pre-operation safety verification including: inspection by Building Inspector and electrical inspector/agency as appropriate prior to operation, utility inspection as applicable, system in good working order, Fire/Life Safety code standard compliance for roof and building-mounted collectors, storage batteries in a secure container; removal required after 12 months of inoperability.

Certain provisions shall apply to both Small-Scale Solar and Small Wind Systems, including: any aggrieved person may seek relief from the Zoning Board of Adjustment in accordance with NH RSA 674:66, as amended; the abandonment of any system shall result in the removal of the system after 12 months of inoperability, and, the building inspector shall enjoy certain enforcement actions to ensure the removal of the system within twelve months of inoperability.

Recommended by the Planning Board

ARTICLE 11

Are you in favor of the adoption of Amendment No.10 by the Allenstown Planning Board for the Town of Allenstown Zoning Ordinance as follows:

To authorize certain formatting and editing provisions throughout the Allenstown Zoning Ordinance including: page number consistency, table of contents corrections, to update and ensure proper citation to relevant New Hampshire RSAs, to ensure accuracy throughout the Zoning Ordinance, to revise Article numbers based on overall changes to the ordinance, and to update the list of Zoning Ordinance Change Dates as applicable.

Recommended by the Planning Board

ARTICLE 12 Suncook Pond Wastewater Pump Station Project

To see if the Town will vote to raise and appropriate the sum of \$1,616,000 (gross budget) for the purpose of financing the costs of engineering and construction of the Suncook Pond Wastewater Pump Station; to authorize the issuance of not more than \$1,616,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); to authorize the Selectboard to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project; to authorize the Selectboard to apply for a Clean Water State Revolving Fund (CWSRF) loan; to authorize the Selectboard to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the Selectboard to take any other action or to pass any other vote relative thereto. Without impairing the general obligation nature of the bonds or notes, it is intended that repayment of the bonds or notes, including any CWSRF loan, shall be paid by sewer funds. (3/5 ballot vote required)

Recommended by the Board of Selectmen

Recommended by the Budget Committee

ARTICLE 13 Sewer Asset Management Project

(THIS ARTICLE DOES NOT IMPACT THE TAX RATE) To see if the Town will vote to raise and appropriate the sum of \$30,000 (gross budget) to defray the cost of planning relative to public facilities through the previously established Asset Management Plan development project for Town of Allenstown Wastewater Collection and Treatment System: and,

to authorize the issuance of not more than thirty thousand dollars (\$30,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); and, further, to authorize the Selectboard to issue and negotiate such bonds or notes and to determine the conditions and the rate of interest thereon; and,

to further authorize the Selectboard to offset a portion of said appropriation by applying for, Clean Water State Revolving Funds (CWSRF), it being understood that repayment of the loan funds will include up to 100% principal forgiveness in the amount up to \$30,000.

A condition of the approval of this article being repayment of any remaining loan balance to be paid by the sewer funds: and, further, that the Allenstown Sewer Commission shall pay any outstanding remaining balance and applicable interest in the full from said sewer funds on or before the date that the first payment of the loan related to the CWSRF funding is due: and,

to authorize the Selectmen and Sewer Commissioners to take all other action necessary to carry out and complete this project. (3/5 ballot vote required)

Recommended by the Board of Selectmen

Recommended by the Budget Committee

ARTICLE 14 Town Operating Budget

Shall the Town of Allenstown raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling **\$3,924,683**. Should this article be defeated, the default budget shall be **\$3,953,626**, which is the same as last year, with certain adjustments required by previous action of the Town of Allenstown or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. Estimated tax impact is approximately \$0.11 cents per thousand dollars of assessed value. (Majority vote required)

NOTE: This warrant article (operating budget) does not include appropriations in ANY other warrant article.
