Meeting 3

Tuesday, May 5, 2020 | 1:00 – 3:00 PM

MEETING HELD REMOTELY VIA WEBEX | Public can join at Allenstown Town Hall | 16 School St

AGENDA for Hazard Mitigation Plan Update

1 Roll Call: SA to Complete Attendance Sheet AND Meeting Match Timesheet for Participants

- We need your help on haz mit tasks outside of these meetings! That is where much of the work to update the Plan is done - Record your Tasks & Hours on the **Individual Timesheets**.

➤ **Continue personal Individual Timesheets, from Apr 1 - Jun 30**

2 Determine Status of the 2015 Mitigation Actions

- Review the 2015 Plan's **Actions** and determine **Completed, Deleted** or **Deferred** status (below) for each.

For each Action, determine **Action Status: COMPLETED, DELETED, OR DEFERRED**

The Action was **COMPLETED** *when?* Month & Year

This Action was **DEFERRED** from 2015 because.... *choose 1*

- Action needs to be repeated to be effective.
- More time is required for Action completion.
- Town lacked staff or volunteer capability to complete.
- Town lacked the funding to complete Action.
- Action was a lower priority than other Town activities.

This Action will be **DELETED** because Action.... *choose 1*

- is no longer necessary or a priority to the Town.
- is not relevant to the Town's current situation or objectives.
- is unrealistic to complete.
- is financially infeasible.
- is incorporated into another activity.
- duplicates existing efforts.
