Re: Request for Approval of Allenstown Community Power Plan

Dear Chairman Goldner,

Attached please find the Allenstown Community Power Plan for review and approval by the Commission pursuant to RSA 53-E:7. The Allenstown Community Power Plan was approved by the Allenstown Select Board, the Town's governing body, on February 21, 2023.

The plan is being submitted for Commission review and approval prior to being submitted to the Town's legislative body for approval as allowed under PUC 2204.01(a). Once the plan has been approved or rejected by the legislative body (majority vote at Allenstown Town Meeting) the Town will notify the commission, department of energy, office of the consumer advocate, and Eversource, the distribution utility serving Allenstown of such final plan approval or rejection, as required under PUC 2204.01(g).

The municipal employee who is the official liaison for questions about the approved or revised plan and who is authorized to request information from utilities under these rules is:
Derik Goodine, Town Manager, Town of Allenstown, 16 School Street, Allenstown, NH 03275, (603) 485-4276 ext 112, dgoodine@allenstownnh.gov.

The Town does not maintain a dedicated website outside the Community Power Committee page on the Town website: <https://www.allenstownnh.gov/home/allenstown-community-power-aggregation-committee>. The Town will notify the Commission if such a website is created as required under PUC 2203.01(e).

The Town is providing copies of this plan on the same day as this submission to the Office of the Consumer Advocate, the NH Department of Energy, and the distribution utility Eversource should they wish to comment on the plan. Pursuant to current Commission policy, this filing is being made electronically only. Please do not hesitate to contact me if you have any questions.

Sincerely,

Derik Goodine
Town Manager
