

AMEND ARTICLE II, DEFINITIONS, SECTION 83, HEAVY MANUFACTURING, to add the following sentence after the existing language:

Such manufacturing efforts will not include the processing of secondary materials or waste or reclaimed materials to create waste derived products as referenced in N.H. Code of Administrative Rules Env-Hw 104.40, 104.33 and Env-Sw 104.62 as they may be amended from time to time or energy recovery facilities.

AMEND ARTICLE II, DEFINITIONS, SECTION 104, MANUFACTURING, to amend the second sentence of the existing language as follows:

Manufacturing is industrial production in which raw materials are transformed into finished goods on a large scale; such goods shall not include waste derived products processed from waste materials or secondary materials or reclaimed materials as referenced in N.H. Code of Administrative Rules Env-Hw 104.40, 104.33 and Env-Sw 104.62 as they may be amended from time to time or energy to recovery facilities.
