Gentlemen:

Your request for prequalification in order that you may bid on projects advertised and let by this Department has been reviewed and is in compliance with the prequalification regulations for Public Works and/or Road and Bridge projects valued at \$4,000,000 or under. The Department assigns ratings in the various classifications, some of which are listed below:

- | | |
|-----------------------|---------------------|
| Road Construction | Bridge Construction |
| Site | Utilities |
| Water | Sewer |
| Traffic Signals | Highway Lighting |
| Building Construction | Bridge Painting |
| Mechanical | Electrical |
| Asbestos Removal | Paving |
| Roofing | Landscaping |

Eligibility for bidding on a particular project will be determined by the Prequalification Committee at the time that the request for plans, specifications and a proposal is made. Their decision will be based on the magnitude and complexity of the project in question and on the requesting firm's capability to successfully prosecute to completion the particular project.

Your firm has been rated on a project-by-project basis for those projects in the following classifications: **Small Road Construction, Small Paving, Site Work, Water and Sewer**. This prequalification will expire on **March 31, 2018**.

All prequalification information supplied to this office will be held in strict confidence and used for no other purpose than for prequalification for bidding on projects advertised and let by this Department.

Sincerely,

Deborah A. Weil
Prequalification Administrator
