TO: Trustee of Trust Funds
FROM: Allenstown Board of Selectmen
DATE: July 14, 2022
RE: Portable Radios

The Board of Selectmen request a withdrawal from the Fire Safety Equipment Capital Reserve Fund to reimburse the Town for the purchase of portable radios and accessories. This amount is a 10% match to a grant that has been approved by the Board. The request is for \$3,476.00 to be transferred to the General Fund Account ending in 8125 for the expenses of new portable radios, batteries, battery chargers and radio holsters.

Allenstown Fire Department

Memorandum

To: Board of Selectman
From: Chief Lambert
CC: Derik Goodine – Sherri Miller

Board Members,

As you are aware the Fire Safety Equipment fund is used to purchase equipment relative to life safety for our Allenstown Firefighters. It is a fund that does not expire with the budget and was created by Warrant Article a number of years ago. There is currently over \$158,000 in that fund.

I am asking to utilize \$3,476.00 from this fund for the purpose of purchasing new portable radios for the Fire Department as ours are current very outdated. This amount is a 10% match to a grant approved by the board.

We will utilize Beltronics for this purchase as they have provided the best options for our needs.

If you support the transfer, we would need a motion made and approved to state “I move that the Town treasurer be instructed to transfer \$3,476.00 from the Fire Safety Capital Reserve fund to the General Fund for the expenses of new portable radios, batteries, battery chargers and radio holsters.

Thanks

Chief Lambert
