**Re: Allenstown Highway Block Grant Aid – in Accordance with RSA 235:23
Payment for Maintenance, Construction and Reconstruction of Class IV and V Highways**

Dear Mr. Tardiff:

The following is notification of State Highway Block Grant Aid available to your town in State Fiscal Year 2019 (July 1, 2018 thru June 30, 2019) based on estimated revenues through June 30, 2018. The Block Grant Aid payment includes highway revenue from Senate Bill (SB) 367 that was effective July 1, 2014. The total could possibly change based on final audited State Fiscal Year 2018 revenues. The resulting adjustment will be reflected in the April payment. Funding is anticipated to be available upon the availability and continued appropriation of funds in the future operating budget.

State Highway Block Grant Aid anticipated to be available to the Town of Allenstown during Fiscal Year 2019 (July 1, 2018 to June 30, 2019) is as follows:

July 2018 Actual Payment:	\$27,614.81
October 2018 Actual Payment:	\$27,614.81
January 2019 Actual Payment:	\$18,409.87
April 2019 Estimated Payment:	\$18,409.86

TOTAL FOR FY 2019:

\$92,049.35

In generalized terms and in accordance with statutory provisions for distribution of Apportionment "A" and SB 367 funds, a disbursement is made of approximately \$1,496 for each mile of Class IV and Class V highway inventoried by each municipality and approximately \$13 for each person residing in a municipality based on the state planning estimate of population. Apportionment "B" is distributed this year to 18 small towns under a somewhat more complicated formula as specified in RSA 235:23, which recognizes the economics of maintaining their Class V highway mileage when considered in relationship to their equalized valuation tax base.
