EXCAVATION APPLICATION

Pursuant to RSA 155-E, the following application must be submitted to the regulator, the Allenstown Planning Board, to obtain an excavation permit. Prior to issuance of a permit, the regulator shall determine that the provisions of RSA 155-E, the Town Excavation Regulations, and any other applicable regulations or ordinances are met.

Applicants qualifying under the exemption provisions of RSA 155-E:2 and filing the reclamation plan pursuant to RSA 155-E:5 are to utilize this form noting the intent of this application.

PART 1. APPLICATION TYPE

Please check the appropriate Planning Board action:

Excavation Permit	<input type="checkbox"/>
Reclamation Plan Submittal	<input type="checkbox"/>
Excavation Permit Renewal	<input checked="" type="checkbox"/>

PART 2. PROJECT INFORMATION

Please type or print clearly.

Date	6/4/18
Project Name	Allenstown Aggregates LLC
Site Address or Location	169 GRANITE ST.
Tax Map Number	MAD 106
Tax Lot Number	018
Zoning District(s)	OPEN SPACE / FARMING
Zoning Overlay District(s)	Groundwater Protection (PARTIAL)
Special Use Permit Required?*	GRANTED 2001 Special Exception

TOWN OF ALLENSTOWN EXCAVATION APPLICATION

PART 2. PROJECT INFORMATION, continued

ZBA Variance or Special Exception Required? **	Granted in 2001
Total Acres	117.24 ACRES
Total Frontage	691.3' +/-
Purpose of Plan	EXCAVATION AND PROCESSING OF CONSTRUCTION MATERIALS.

**If special use permits are required, applications will need to be submitted with this Excavation Application.*

***If ZBA variances or special exceptions are required, the ZBA Notices of Decision must be submitted with this Excavation Application.*

PART 3. APPLICANT INFORMATION

The applicant is usually a professional (surveyor, engineer, developer, architect, attorney, etc) representing a property owner before the Board. This is to certify that the information contained in this application is complete and true to the best of my knowledge.

Name	B. JEFFERY BURD
Company	R.T. B. ENGINEERING LLC
Address	15 PLEASANT ST SUITE 5 CONCORD NH
Phone Number	603-219-0194
Email (required)	jburd91@Comcast.NET
Fax	
Signature	

PART 4. PROPERTY OWNER INFORMATION

If the applicant (above) will be representing the property owner before the Planning Board, please submit a **notarized** letter of authorization from the property owner(s). This is to certify that the information contained in this application is complete and true to the best of my (our) knowledge.

	Owner 1	Owner 2
Name(s)	Allenstown Agg. LLC	
Address	603 Mammoth Rd	Londonderry NH 03053
Phone Number(s)	603-669-6114	
Email(s)	VIAOZZI@TCORPWE.NET	
Signature(s)		

	Owner 3	Owner 4
Name(s)	N/A	
Address	N/A	
Phone Number(s)	N/A	
Email(s)	N/A	
Signature(s)	N/A	

PART 5. OTHER APPLICATION REQUIREMENTS

The following items are required for a complete application. The Board will make a determination at its next regular meeting, after the project has been publicly noticed, whether the application is complete.

Certified Notification Lists	✓
Notarized Letter of Authorization	✓
Project Narrative Letter describing the project in detail, existing conditions, etc.	✓
Waiver requests in writing, if applicable.	
Application and Escrow Fees (please refer to the appropriate checklist for fee schedule(s))	✓
Five full sets of 22"x34" plans, folded to 8.5"x11" with original signatures and stamps (see Part 6. for required components)	✓

PART 5. OTHER APPLICATION REQUIREMENTS, continued

Copies of the excavation plan reduced to 11" x 17", folded to 8.5"x11", as follows: *15 for the Planning Board *10 for Technical Review Committee and other Town Departments *1 copy per each certified notice	✓
5 copies of a reclamation plan (see Part 7. for components)	
Copies of any drainage, hydrologic, or other studies and associated plans if available	<i>ON FILE</i>
Copies of any local, State, Federal or other applications (or permits if granted) including Comprehensive Shoreland Protection Act, NH DES Dredge and Fill, NH DOT Access, State Pit Agreement, Army Corps of Engineers , etc	✓

PART 6. EXCAVATION PLAN COMPONENTS

The excavation plans submitted to the Board shall have the information outlined in the Site Plan Review Regulations (see separate Site Plan checklist) and the following:

Existing topography	✓
Limits of excavation	✓
Excavation depth (excavated topography)	✓
Total area of excavation in acres	✓
Access road(s) and intersection with town or state highways	✓
Vegetation buffer	✓
Distances from excavation limits to property lines	✓
Schedule of excavation volumes; phasing of excavation (areas and dates)	✓
Test pit groundwater elevations	✓
Topsoil storage area	✓
Drainage improvements (if necessary)	✓
Photographs of existing conditions	✓
A list of proposed equipment	✓
Location of any gravel to be stockpiled	✓
An estimate of the number of trips per day from site	✓

PART 7. RECLAMATION PLAN COMPONENTS

The reclamation plans submitted to the Board shall have the information outlined in the Site Plan Review Regulations (see separate Site Plan checklist) and the following:

Reclaimed topography		✓
Soil conditioning specifications		
Seeding and mulching specifications	<i>on file</i>	
Plant materials/quantities/sizes		
Phasing of reclamation (areas and dates)		
Sections showing existing, excavated and reclaimed topography		

PART 8. HAULING INFORMATION

The following information shall be submitted to the Board:

Routes to be utilized		✓
Frequency of truck traffic over routes.		✓
Size and weight of trucks used.		✓

PART 9. FINANCIAL GUARANTEE

A financial guarantee shall be required for reclamation prior to the issuance of an excavation permit. The amount shall be determined by the regulator.

PART 10. PERMIT

An excavation permit will be valid for a period of one (1) year. An application for permit renewal must be submitted to the regulator by the owner if excavation is to be continued beyond the termination date. The renewal application must identify and adjust all information contained in the original application that is no longer effective for the renewal period.

PART 11. ESCROW BALANCES AND RETURNS

All applications for excavation require a positive balance in escrow accounts set up by the Town which are used for engineering, consulting, and legal fees. Along with application fees, an escrow check will be supplied by the applicant or property owner(s). The property owner(s) acknowledges that when escrow funds are depleted, all Town work on the project will stop until the fund is replenished. The Town will notify the applicant, on behalf of the property owner(s), when the escrow balance is low.

In the review of applications, the Planning Board may contract with consultants to review all or portions of any application. This review shall be at the applicant's expense. The Planning Board, at its discretion, may request an applicant to prepare special studies at the applicant's expense, or contract with a consultant to perform these studies at the applicant's expense.

If an escrow balance is in the negative, the property owner will be invoiced by the Town to bring the balance into compliance. The project will not receive final approval without a \$0 balance or positive balance in the project's escrow accounts. Unused project escrow balances will be returned within 90 days of plan denial or plan registration to ensure that outstanding invoices from consultants have been paid. You may attach additional sheets if there are more than four (4) owners.

APPLICATION CHECKLIST

The following checklist is intended as a reference for the Board to use in determining whether an application meets all the requirements for submission as specified in the regulations (Section XIV). Item #3, a-n, and #4, a-f are those items the Board expects to see on the plan; items # 5-1 1 of this checklist are those projects the law defines as prohibited and that the Board, during the application review process, must determine to be in compliance with the law. The Planning Board reserves the right to request and require, and paid for by the applicant, any additional materials, studies and third party opinions as may be needed to act on a pending application.

EXCAVATION AND RECLAMATION CHECKLISTS

The following checklist is used by the Board to determine compliance with the provisions of RSA 155-E during application review and inspections of excavation sites, both for new operations as well as yearly inspections of existing operations. For existing, non-permitted operation, only items #1-10 apply, while new, permitted operations are subject to all items in the checklist. The items in the reclamation checklist apply to all operations at the time of reclamation

A. OPERATING STANDARDS

- | <u>Yes</u> | <u>No</u> | |
|------------|-----------|---|
| <u>X</u> | _____ | 1. The excavation is not closer than 50 feet to the boundary of a disapproving abutter. |
| <u>X</u> | _____ | 2. The excavation is not closer than 150 feet to an existing dwelling or to a site for which a building permit has already been issued. |
| <u>X</u> | _____ | 3. The excavation is not below road level within 50 feet of a public right-of-way. |
| <u>X</u> | _____ | 4. Vegetation is maintained within the peripheral areas of items 2 and 3 above. |
| <u>X</u> | _____ | 5. Fuels, lubricants, or other toxic or polluting materials are not stored on the site, unless in compliance with applicable state regulations. |
| <u>X</u> | _____ | 6. If temporary slopes exceed a 1:1 grade, an appropriate barricade or fence of at least four feet in height is provided. |
| <u>X</u> | _____ | 7. The excavation does not cause the accumulation of freestanding water for prolonged periods. |
| <u>X</u> | _____ | 8. The excavation does not result in continued siltation of surface water degradation of water quality of any public or private water supplies. |
| <u>X</u> | _____ | 9. The excavation is not within 75 feet of any great pond, navigable river, or any other standing body of water 10 acres or more in area. |

- X _____ 10. The excavation is not within 25 feet of any stream, river, or brook that normally flows throughout the year, or any naturally-occurring standing body of water less than 10 acres, prime wetland, or any other wetland greater than 5 acres in area.
- X _____ 11. The excavation is permitted by the zoning ordinance.
- Yes** **No**
- X _____ 12. The excavation will not diminish area property values or unreasonably change the character of the neighborhood.
- X _____ 13. The excavation will not create any nuisance or health or safety hazards
- X _____ 14. The excavation will not unreasonably accelerate the deterioration of highways or create any safety hazards in their use.
- X _____ 15. Existing visual barriers will not be removed, except to gain access to the site.
- X _____ 16. The excavation will not substantially damage a know aquifer.

B. RECLAMATION STANDARDS

- X _____ 1. Except for exposed rock ledge, all areas which have been stripped of vegetation shall be spread with soil capable of sustaining vegetation, and shall be planted with seedlings or grass.
- X _____ 2. Areas visible from a public way from which trees have been removed shall be replanted with tree seedlings in accordance with acceptable horticultural practices.
- X _____ 3. Provision is made for the removal or disposal of all stumps and other vegetative debris.
- X _____ 4. Slopes, except for exposed rock ledge, will be graded to natural repose according to the soil type, or at a ratio of horizontal to vertical proposed by the owner and approved by the Board.
- X _____ 5. No standing bodies of water created by the excavation will be left if they create a public safety hazard.
6. The topography will be left so that water draining from the site leaves the property at the original, natural drainage points and in the natural proportions of flow.

Permit: WPS-5498-B

Dear Applicant:

Based upon your recent request, we are hereby amending RSA 485-A:17 Site Specific Permit WPS-5498-A. The new permit number is WPS-5498-B, and is subject to the following conditions:

1. Water quality degradation shall not occur as a result of the project.
2. Revised plans shall be submitted for permit amendment prior to any changes in construction details or sequences. The Department must be notified in writing within ten days of a change in ownership.
3. The Department must be notified in writing prior to the start of construction.
4. The approved plans and supporting documentation in the project file are a part of this approval.
5. The Department must be informed in writing of the status of the project every two years and furnished with an updated plan of the project every six years from the issuance of this permit.
6. Other permits from the local municipality, State of New Hampshire and the Federal government (US EPA and US Army Corps of Engineers) may be required for this project.
7. **The amendment consists of a change in permittee to the above addressee.**

Sincerely yours,

Ridgely Mauck, P.E.

NPDES
FORM
3510-9

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
WASHINGTON, DC 20460
NOTICE OF INTENT (NOI) FOR STORMWATER DISCHARGES
ASSOCIATED WITH CONSTRUCTION ACTIVITY UNDER AN
NPDES GENERAL PERMIT

Form Approved.
OMB Nos. 2040-0004

Submission of this Notice of Intent (NOI) constitutes notice that the operator identified in Section II of this form requests authorization to discharge pursuant to the NPDES Construction General Permit (CGP) permit number identified in Section I of this form. Submission of this NOI also constitutes notice that the operator identified in Section II of this form meets the eligibility requirements of Parts 1.1 and 1.2 of the CGP for the project identified in Section III of this form. Permit coverage is required prior to commencement of construction activity until you are eligible to terminate coverage as detailed in Part 8 of the CGP. To obtain authorization, you must submit a complete and accurate NOI form. Discharges are not authorized if your NOI is incomplete or inaccurate or if you were never eligible for permit coverage. Refer to the instructions at the end of this form.

I. Approval to Use Paper NOI Form

Have you been given approval from the Regional Office to use this paper NOI form*? Yes NO

if yes, provide the reason you need to use this paper form, the name of the EPA Regional Office staff person who approved your use of this form, and the date of approval:

Reason for using paper form:

Name of EPA staff person:

Date approval obtained:

* Note: You are required to obtain approval from the applicable Regional Office prior to using this paper NOI form.

II. Permit Information:

Tracking Number (EPA Use Only) NHR12AE51

Permit Number: NHR120000

(see Appendix B of the CGP for the list of eligible permit numbers)

III. Operator Information

Name: Thibeault Corporation of NE

Phone: 603-669-6114

Fax (Optional):

Email: Mthibeault@tcorpne.net

IRS Employer Identification Number (EIN): 02-0372145

Point of Contact (First Name, Middle Initial, Last Name): Michael Thibeault

Mailing Address:

Street: 603 Old Mammoth Road

City: Londonderry

State: NH

Zip: 03053

NOI Preparer (Complete if NOI was prepared by someone other than the certifier):

IV. Project/Site Information

Project/Site Name: Allenstown Aggregate

Project/Site Address:

Street/Location: 169 Granite Street

City: Allenstown

State: NH

Zip: 03275

County or similar government subdivision: Merrimack

For the project/site for which you are seeking permit coverage, provide the following information:

Latitude/Longitude (Use one of three possible formats, and specify method)

Latitude 1. 43.07.00

N(degrees, minutes, seconds)

Longitude 1. 71.25.00

W(degrees, minutes, seconds)

2. _____

N(degrees, minutes, decimal)

2. _____

W(degrees, minutes, decimal)

3. _____

N(degrees, decimals)

3. _____

W(degrees, decimals)

Latitude/Longitude Data Source: U.S.G.S topographical map EPA Web Site

GPS

Other: _____

If you used a U.S.G.S. topographic map, what was the scale? 1:24000

Horizontal Reference Datum: NAD 27 NAD 83 or WGS 84 Unknown

Is your project located in Indian Country lands? Yes No

If yes, provide the name of the Indian tribe associated with the area of Indian country (including name of Indian reservation, if applicable), or if not in Indian country, provide the name of the Indian tribe associated with the property:

Are you requesting coverage under this NOI as a "federal operator" as defined in Appendix A?

Yes No

Estimated Project Start Date: 07/31/2014

Estimated Project Completion Date: 08/01/2020

Estimated Area to be Disturbed (to the nearest quarter acre): 60.0

Have earth-disturbing activities commenced on your project/site?

Yes No

If yes, is your project an emergency-related project?

Yes No

Have stormwater discharges from your project/site been covered previously under an NPDES permit?

Yes No

If yes, provide the Tracking Number if you had coverage under EPA's CGP or the NPDES permit number if you had coverage under an EPA individual permit:

V. Discharge Information

Does your project/site discharge stormwater into a Municipal Separate Storm Sewer System (MS4)? Yes No

Are there any surface waters within 50 feet of your project's earth disturbances? Yes No

Receiving Waters and Wetlands Information: (Attach a separate list if necessary)

Surface water(s) to which discharge	Impaired Water	Listed Water Pollutant(s)	Tier 2, 2.5 or 3	Source	TMDL Name and Pollutant
Suncook	Yes	MERCURY	No	EPA website	Mercury

Describe the methods you used to complete the above table: Please refer to the Source(s) in the above table.

VI. Chemical Treatment Information

Will you use polymers, flocculants, or other treatment chemicals at your construction site?

Yes No

If yes, will you use cationic treatment chemicals* at your construction site?

Yes No

If yes, have you been authorized to use cationic treatment chemicals by your applicable EPA Regional Office in advance of filing your NOI*?

Yes No

If you have been authorized to use cationic treatment chemicals by your applicable EPA Regional Office, attach a copy of your authorization letter and include documentation of the appropriate controls and implementation procedures designed to ensure that your use of cationic treatment chemicals will not lead to a violation of water quality standards.

Please indicate the treatment chemicals that you will use:

* Note: You are ineligible for coverage under this permit unless you notify your applicable EPA Regional Office in advance and the EPA office authorizes coverage under this permit after you have included appropriate controls and implementation procedures designed to ensure that your use of cationic treatment chemicals will not lead to a violation of water quality standards.

VII. Stormwater Pollution Prevention Plan (SWPPP) Information

Has the SWPPP been prepared in advance of filing this NOI? Yes No

SWPPP Contact Information:

First Name, Middle Initial, Last Name: Michael Thibeault

Organization: Thibeault Corporation of NE

Phone: 603-619-6114

Fax (Optional):

E-mail: Mthibeault@tcorpne.net

VIII. Endangered Species Protection

Using the instructions in Appendix D of the CGP, under which criterion listed in Appendix D are you eligible for coverage under this permit (only check 1 box)?

A B C D E F

Provide a brief summary of the basis for criterion selection listed in Appendix D (e.g., communication with U.S. Fish and Wildlife Service or National Marine Fisheries Service, specific study): NHDRED-Natural Heritage Bureau

If you select criterion B, provide the Tracking Number from the other operator's notification of authorization under this permit:

If you select criterion C, you must attach a copy of your site map (see Part 7.2.6 of the permit), and you must answer the following questions:

What federally-listed species or federally-designated critical habitat are located in your "action area":

What is the distance between your site and the listed species or critical habitat (miles):

If you select criterion D, E, or F, attach copies of any letters or other communications between you and the U.S. Fish and Wildlife Service or National Marine Fisheries Service.

IX. Historic Preservation

Is your project/site located on a property of religious or cultural significance to an Indian tribe? Yes No

If yes, provide the name of the Indian tribe associated with the property:

Are you installing any stormwater controls as described in Appendix E that require subsurface earth disturbance? (Appendix E, Step 1) Yes No

If yes, have prior surveys or evaluations conducted on the site have already determined historic properties do not exist, or that prior disturbances have precluded the existence of historic properties? (Appendix E, Step 2) Yes No

If no, have you determined that your installation of subsurface earth-disturbing stormwater controls will have no effect on historic properties? (Appendix E, Step 3) Yes No

If no, did the SHPO, THPO, or other tribal representative (whichever applies) respond to you within the 15 calendar days to indicate whether the subsurface earth disturbances caused by the installation of stormwater controls affect historic properties? (Appendix E, Step 4) Yes No

If yes, describe the nature of their response:

<input type="checkbox"/>	Written indication that adverse effects to historic properties from the installation of stormwater controls can be mitigated by agreed upon actions.
<input type="checkbox"/>	No agreement has been reached regarding measures to mitigate effects to historic properties from the installation of stormwater controls.
<input type="checkbox"/>	Other:

X. Certification Information

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

Washington, DC 20460

Sand & Gravel Reclamation Bond

Effective Date: 11-12-2015

Bond No.: 0125060

KNOW ALL MEN BY THESE PRESENTS that we, THIBEAULT CORPORATION OF N.E., as Principal and BERKLEY INSURANCE COMPANY, 475 STEAMBOAT ROAD, GREENWICH, CT 06830, a corporation duly organized under the laws of the State of Delaware and licensed to transact business in the State of New Hampshire, as Surety, are held and firmly bound unto the

TOWN OF ALLENSTOWN, 16 School Street, Allenstown, NH 03275, as Obligee in the penal sum of FIFTY THOUSAND AND NO/100 (\$ 50,000.00) DOLLARS, lawful money of the United States, for which payment, well and truly to be made, we bind ourselves, our heirs, executors, administrators, successors and assigns, jointly and severally, firmly by these presents.

WHEREAS, the above bounded Principal has been granted a Permit for the purpose of reclaiming Tax Map 106, Lot Number 18.

NOW THEREFORE, THE CONDITION OF THIS OBLIGATION is such, that if the above Principal timely complies with the reclamation requirements and conditions of the applicable ordinances, rules, regulations, licenses and permits, then this obligation shall be null and void; otherwise to remain in full force and effect.

This shall run concurrently with the period of the license granted to the Principal and shall remain in full force and effect for any renewal thereof, provided however, that the penalty of the bond may not be cumulative from year to year and the total liability of the surety herein may not exceed the amount of this bond, regardless of the number of license periods for which the bond is in force.

The Surety may cancel this bond at any time by giving thirty (30) days written notice by registered or certified mail to the Obligee. This bond shall be deemed cancelled at the expiration of said thirty (30) days, the said Surety remaining liable for all or any act or acts covered by this bond, which may have been committed by the Principal up to the date of such cancellation, under the terms, conditions and provisions of this bond.

No claimant under this bond including the named Obligee shall have the right to bring an action upon the bond unless he shall have given written notice to the surety within 90 days of such claim having accrued, stating with substantial accuracy the amount claimed and the basis for the claim under the bond. Such notice shall be served by registered or certified mail to the Surety at its principal place of business, Attn: Bond Claim Department, Berkley Insurance Company, 475 Steamboat Road, Greenwich, CT 06830. No such action may be commenced after one year from the expiration or other termination of this bond.

Signed, sealed and dated this 12th day of NOVEMBER, 2015.

Joline L. Binette, Attorney-In-Fact

POWER OF ATTORNEY
BERKLEY INSURANCE COMPANY
WILMINGTON, DELAWARE

NOTICE: The warning found elsewhere in this Power of Attorney affects the validity thereof. Please review carefully.

KNOW ALL MEN BY THESE PRESENTS, that BERKLEY INSURANCE COMPANY (the "Company"), a corporation duly organized and existing under the laws of the State of Delaware, having its principal office in Greenwich, CT, has made, constituted and appointed, and does by these presents make, constitute and appoint: *Nancy L. Castonguay, Robert E. Shaw, Jr., Heidi Rodzen, Joline L. Binette or Melanie A. Bonnevie of Skillings - Shaw & Associates, Inc. of Lewiston, ME* its true and lawful Attorney-in-Fact, to sign its name as surety only as delineated below and to execute, seal, acknowledge and deliver any and all bonds and undertakings, with the exception of Financial Guaranty Insurance, providing that no single obligation shall exceed Fifty Million and 00/100 U.S. Dollars (U.S.\$50,000,000.00), to the same extent as if such bonds had been duly executed and acknowledged by the regularly elected officers of the Company at its principal office in their own proper persons.

This Power of Attorney shall be construed and enforced in accordance with, and governed by, the laws of the State of Delaware, without giving effect to the principles of conflicts of laws thereof. This Power of Attorney is granted pursuant to the following resolutions which were duly and validly adopted at a meeting of the Board of Directors of the Company held on January 25, 2010:

RESOLVED, that, with respect to the Surety business written by Berkley Surety Group, LLC, the Chairman of the Board, Chief Executive Officer, President or any Vice President of the Company, in conjunction with the Secretary or any Assistant Secretary are hereby authorized to execute powers of attorney authorizing and qualifying the attorney-in-fact named therein to execute bonds, undertakings, recognizances, or other suretyship obligations on behalf of the Company, and to affix the corporate seal of the Company to powers of attorney executed pursuant hereto; and said officers may remove any such attorney-in-fact and revoke any power of attorney previously granted; and further

RESOLVED, that such power of attorney limits the acts of those named therein to the bonds, undertakings, recognizances, or other suretyship obligations specifically named therein, and they have no authority to bind the Company except in the manner and to the extent therein stated; and further

RESOLVED, that such power of attorney revokes all previous powers issued on behalf of the attorney-in-fact named; and further

RESOLVED, that the signature of any authorized officer and the seal of the Company may be affixed by facsimile to any power of attorney or certification thereof authorizing the execution and delivery of any bond, undertaking, recognizance, or other suretyship obligation of the Company; and such signature and seal when so used shall have the same force and effect as though manually affixed. The Company may continue to use for the purposes herein stated the facsimile signature of any person or persons who shall have been such officer or officers of the Company, notwithstanding the fact that they may have ceased to be such at the time when such instruments shall be issued.

IN WITNESS WHEREOF, the Company has caused these presents to be signed and attested by its appropriate officers and its corporate seal hereunto affixed this 18 day of March, 2013.
