Dear Armand,

The enclosed incentive payment acknowledges that LCHIP received timely 2016 monitoring information for the LCHIP-assisted Allenstown Meetinghouse.

Thank you for your responsible care of the Allenstown Meetinghouse. The Meetinghouse's LCHIP Stewardship Agreement expired on June 13, 2016. Therefore, you are no longer required to submit an annual monitoring report to LCHIP. We wish you the best of luck with your continued use and care of this important historic resource. Please contact us if you have any questions.

Sincerely,

Dijit Taylor
