Deerfield, NH 03037

Dear Selectmen:

The New Hampshire Division of Forests and Lands is planning to harvest timber from 121 acres of the Bear Brook State Park in the town of Allenstown, New Hampshire. Attached is a location map of the planned harvest for your reference.

This harvest operation will not require transportation of forest products over town roads.

We are in the early stages of planning this harvest which we do not anticipate offering for public bidding before Spring 2024. At the time of the sale you will be notified as to the volume sold and the successful bidder who will be responsible for payment of the timber tax.

If you have any questions or comments please contact the forester in charge of this project, Tyler Comte directly at (603) 227-8736 or Regional Forester Scott Rolfe at (603) 227-8741. Please refer to project P1-685.

This letter is in compliance with RSA 541-A: 39, Notice to Municipalities. We would appreciate it if you would post this letter in a public place, thank you.

Sincerely,

A handwritten signature in blue ink, appearing to read "William T. Guinn".
