This manual also applies to employees of the Allenstown Sewer Department. The Allenstown Sewer Commission is the governing body for the sewer department. The Allenstown Sewer Commission has chosen to make this policy applicable to its employees. Other than promulgation of the policy anywhere where the words Board of Selectmen or Select Board appear the Sewer Commission shall be substituted in regards to applicability to sewer department personnel. Additionally anywhere the words Town Administrator appear they shall be replaced by the words Superintendent (of the sewer department).

This Manual also summarizes the current benefit plans maintained by the Town of Allenstown for eligible employees. If any questions arise regarding the implementation or interpretation of any benefit plan, the terms and conditions of the actual plan documents and summary plan descriptions will control rather than the summaries contained in this Manual. The Manual (and other plan documents) are not contractual in nature and do not guarantee any continuance of benefits.

This Manual is not, and should not be construed as an express or implied contract and does not modify any existing at-will status of any Allenstown employee. It is not intended to create any due process protections or requirements in excess of federal or state constitutional or statutory requirements, nor does it guarantee any fixed terms and conditions of employment and/or benefits. Employment at-will means that employees are free to resign from their employment at any time, with or without cause or notice, and the Town of Allenstown has similar rights and can terminate the employment relationship at any time, with or without cause or notice, except as provided by law.

Please also be aware that the Allenstown reserves the right to change, revise, or eliminate any of the policies, procedures, or benefits described in this Manual at any time, in its sole discretion. ARTICLE ONE: GENERAL PROVISIONS

1.01 OUR WORKPLACE

As you review this Manual, you will notice that terms such as “workplace” and “premises” appear in many of Allenstown’s policies. For most employers, such terms encompass the buildings and surrounding property that they own or lease. However, the nature of our work as a municipality requires that our use of these terms have a broader definition. Accordingly, whenever our “workplace” or “premises” is discussed in this Manual, please understand that we are discussing not only Allenstown buildings, facilities and properties, but also any remote job site to which you may be assigned to work and any vehicle you may be traveling in or using for Town related business.

1.02 EQUAL EMPLOYMENT OPPORTUNITY AND POLICY AGAINST HARASSMENT

- A. Allenstown is committed to a policy of equal employment opportunity to all persons based on individual merit, competence and need. The Town will not discriminate against employees or applicants for employment based on any legally-protected status, including, but not limited to: veteran or military status, marital status, physical or mental disability, age, race, color, religion, sex, sexual orientation, pregnancy, national origin, genetic information or ancestry. There are certain non-merit characteristics for which it is strictly prohibited to illegally discriminate against any individual with respect to his/her recruitment, examination, appointment, compensation, retention, fringe benefits, upgrading, training and transfer opportunities, or any phase of employment. This policy applies to all terms and conditions of employment including, but not limited to, hiring, placement, promotion, termination, layoff, recall, transfer, leaves of absence, compensation, benefits and training.
- B. Harassment is unwelcome verbal, non-verbal, and/or physical conduct, which is based upon characteristics referred to in the above paragraph when:
1. Submission to such conduct is made either implicitly or explicitly a term or condition of employment; or
 2. Submission to or rejection of such conduct by an individual is used as a basis for employment decisions affecting such individual; or
 3. Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creates an intimidating, hostile, or offensive work environment.

In support of our commitment to equal employment opportunities, Allenstown prohibits harassment of one employee by another employee or supervisor on any of the bases discussed above. Any employee who harasses another employee, citizen, or visitor on any of the bases discussed above will be subject to discipline, up to and including discharge.

C. The Town defines harassment as follows:

Harassment is verbal and physical conduct that denigrates or shows hostility or aversion toward an individual because of his or her race, color, sex, pregnancy, national origin, ancestry, age, religion, disability, marital status, sexual orientation or veteran status, or that of his or her relatives, friends, or associates, and that: (1) has the purpose or effect of creating an intimidating, hostile or offensive work environment; (2) has the purpose or effect of unreasonably interfering with an individual's work performance; or (3) otherwise adversely affects an individual's employment opportunities.

It is not possible to list all of the circumstances and behaviors that may constitute unlawful harassment in violation of Allenstown policy. However, the following are some examples of conduct which may constitute harassment:

- epithets, slurs, negative stereotyping, or threatening, intimidating or hostile acts that are based on or that relate to race, color, religion, gender, national origin, ancestry, pregnancy, age, disability, sexual orientation, marital status, or veteran status; and
- written or graphic material that denigrates or shows hostility toward an individual or group because of race, color, gender, religion, marital status, pregnancy, national origin, ancestry, age, disability, sexual orientation or veteran status.

The Town prohibits all of the activities discussed above, whether engaged in by a supervisor, agent, employee, co-worker, or non-employee (such as a vendor) who is on our premises or who comes in contact with our employees. Any supervisor or employee who harasses or discriminates against another employee or non-employee on any basis discussed above will be subject to discipline, up to and including termination of employment.

If you experience or witness what you believe may be harassment and/or discrimination in violation of this policy, you should report the incident in accordance with the Reporting Procedure contained in this Manual. The matter will be promptly investigated and appropriate action will be taken, depending on the nature and severity of any proven incident.

Retaliation against an employee who complains in good faith about harassment and/or discrimination or who participates in good faith in an investigation of a complaint is a violation of this policy. Retaliation is a form of unlawful harassment and will be handled in the same

manner as other forms of harassment. If you believe that you have been subjected to retaliation, you should report the incident in accordance with the Reporting Procedure contained in this Manual.

1.03 SEXUAL HARASSMENT POLICY

A. Introduction

The Town's goal is to provide a workplace that is free of sexual harassment. Sexual harassment of employees in the workplace or in other settings in which employees may find themselves in connection with their employment is unlawful and will not be tolerated by Allenstown. Further, any retaliation against an individual who has complained about sexual harassment and/or retaliation against an individual who has cooperated in an investigation of sexual harassment is unlawful and will not be tolerated.

Because the Town takes allegations of sexual harassment seriously, we will respond promptly to complaints of sexual harassment. Where it is determined that inappropriate conduct has occurred, the Town will act promptly to eliminate the conduct and implement any necessary remedial or corrective action, including disciplinary action where appropriate.

B. Definition of Sexual Harassment

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal, physical, and nonphysical conduct of a sexual nature when:

Submission to such conduct is made explicitly or implicitly a term or condition of employment; or

Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting that individual, or for awarding or withholding a favorable employment opportunity, evaluation or assistance; or

Such conduct has the purpose or effect of unreasonably interfering with an individual's performance at work, or creates an intimidating, hostile, or offensive work environment.

Sexual harassment includes a wide range of behaviors from the actual coercion of sexual relations to unwelcome offensive comments, jokes, innuendoes and other sexually oriented statements and unwelcome behavior emphasizing sexual identity. Sexual harassment may be indirect and even unintentional. Employees are prohibited from bringing into the workplace or otherwise displaying any written materials or pictures that are sexually suggestive or offensive in nature.

This policy prohibits all of the activities discussed above, whether engaged in by a supervisor, employee, co-worker, agent or non-employee who is on Town premises or who comes into contact with Town employees.

It is not possible to list all of the additional circumstances and behaviors that may constitute sexual harassment or other inappropriate conduct that will not be tolerated. However, the following are some examples of prohibited conduct:

Unwelcome sexual advances, whether or not they involve physical touching;

Sexual epithets; sexual jokes; written or oral references to sexual conduct, gossip regarding one's sex life; comment on an individual's body; comment about an individual's sexual activity, deficiencies, or prowess;

Displaying sexually suggestive objects, pictures, cartoons;

Leering, whistling, brushing against the body; sexual gestures;

Suggestive or insulting comments;

Inquiries into an individual's sexual experiences; and

Discussion of one's sexual activities.

C. Complaints of Sexual Harassment

Experience has shown that a clear statement to the person engaging in the offensive behavior is sometimes all that is necessary to stop the conduct. If you believe you are being harassed, we encourage you to let the person engaging in the conduct know how you feel. However, if you do not feel comfortable taking this step, you are not required to do so. If you believe that you have been subjected to sexual harassment, you should report the incident in accordance with the Reporting Procedure contained in this Manual. The matter will be promptly investigated and where it is determined that such inappropriate conduct has occurred, action will be taken to eliminate and correct the conduct. Employees who violate this policy will be subject to disciplinary action, up to and including termination of employment.

D. Retaliation

Retaliation against an employee who complains in good faith about sexual harassment or who participates in good faith in an investigation of a complaint is a violation of this policy and is prohibited by law. If you believe that you have been subjected to retaliation, you should report the incident in accordance with the Reporting Procedure contained in this Manual.

1.04 REPORTING PROCEDURE FOR SEXUAL AND OTHER UNLAWFUL HARASSMENT, DISCRIMINATION AND RETALIATION

Any employee who feels that he or she has experienced sexual or other unlawful harassment and discrimination or retaliation should immediately report such actions in accordance with the following procedure. All complaints will be promptly and appropriately investigated.

- A. If you believe that you have experienced sexual or other unlawful harassment, discrimination or retaliation, you should report the incident immediately to the department head or the Town Administrator.
- B. Supervisors and managers who become aware of discriminatory or harassing conduct, a complaint of discrimination or harassment, or retaliation must report the conduct and/or complaint immediately to the Town Administrator.
- C. The Town will promptly investigate incidents reported through this procedure. Any employee, supervisor, or agent of the Town who has been found to have engaged in conduct that violates our policies against discrimination and/or harassment will be subject to appropriate remedial and/or disciplinary action, up to and including immediate discharge. The complainant will be informed generally of the outcome of the investigation and whether remedial action is being undertaken by the Town.
- D. The Town will conduct all investigations in a discreet manner. Disclosure of complaints will be limited to those with a need to know in order to investigate the complaint and take appropriate remedial action.

1.05 THE AMERICANS WITH DISABILITIES ACT

- A. In accordance with the Americans with Disabilities Act of 1990 (“ADA”) and RSA 354-A, the Town prohibits any form of discrimination in hiring as well as in all terms and conditions of employment against individuals with physical or mental disabilities. We will make every effort to make reasonable accommodations to ensure equal opportunity for qualified individuals with disabilities in the application process and in performing essential job functions, so as to afford enjoyment of the same benefits and privileges of employment as are enjoyed by employees without disabilities.
- B. Please notify the Town Administrator if, because of a disability, you require an accommodation to perform the essential functions of your job. You may be asked to provide medical information regarding your disability and possible accommodations,

and we expect that you will engage in this interactive process in good faith so that we may determine eligibility for accommodation and identify reasonable accommodations. We will maintain all medical information in a confidential manner in accordance with the ADA, and will provide reasonable accommodations as required by law. 1.06 EMPLOYEE CLASSIFICATIONS

A. EMPLOYMENT AT-WILL

Unless otherwise provided or unless set forth by statute, Town employees are considered to be employees at-will. Employment at-will status enables both the Town and the employee to terminate the employment relationship with or without cause or notice, at any time, for no reason or for any reason not prohibited by law. Therefore, these employees are eligible for overtime pay in accordance with the FLSA and Town policy.

Payroll deductions required by state and federal law include federal withholding, income tax, social security tax, and wage garnishments as required by law (i.e. child support payments, court-ordered payments, IRS garnishments. If authorized by an eligible employee, the Town will also make payroll deductions for health insurance, savings plans, and voluntary contributions to a retirement plan. These deductions will be itemized on your check stub.

Under New Hampshire law, the Town may not withhold, make use of any portion of, or require any employee to remit any portion of an employee's wages except, with appropriate authorization, as follows: union dues; health, welfare pension, and apprenticeship fund contributions; medical, surgical, hospital and other group insurance benefits without financial advantage to the employer; voluntary contributions to charities; housing and utilities; payments into savings funds held by someone other than the employer; voluntary payments for the recovery of tuition for non-required education costs; voluntary rental fees for non-required clothing; voluntary cleaning of uniforms and non-required clothing; voluntary contributions into cafeteria plans or flexible benefit plans, or both, as authorized by section 125 or section 132 of the Internal Revenue Code; and voluntary payments by the employee for the following: child care fees by a licensed child care provider; parking fees; pharmaceutical items, gift shop, and cafeteria items purchased on the site of a hospital by hospital employees; fees for the employee's use of a qualifying fitness facility; contributions to a political action committee; installment payments of loans made by the employer to the employee; voluntary repayment of accidental overpayments made to the employee; repayment of unearned advances on vacation or other paid time off where supported by appropriate documentation; required clothing not considered to be uniforms; and the use of a demonstrator vehicle as defined in RSA 261:111.

In accordance with the laws, salaried exempt employees receive a predetermined salary which is not subject to reduction because of variations in the quality or quantity of work performed and is not subject to reduction for absences requested by the Town or due to the operating requirements of the Town. The Town recognizes that under federal and state law there are only limited times when a salaried employee's salary can be subject to deductions. Please note: RSA 275:43-b now allows an exempt employee's final paycheck to be prorated in the case of a termination for cause.

The Town prohibits deductions from salaries that are inconsistent with the status of an exempt employee. Exempt employees should note that salaries are subject to modification from time to time, such as at evaluation time, when an employee's position or responsibilities change, and at other appropriate times. Exempt employees should also note that it is permissible for an employer to apply vacation, sick, personal and other forms of paid time off to partial or full-day absences for personal reasons, sickness, or disability, and that applying paid time is not considered a deduction from salary.

3. Questions Regarding Paychecks and Deductions

If you have any questions or concerns about your paycheck or any deductions from your pay, please contact your department head or the Town Administrator as soon as possible. If you do not receive a prompt response or are dissatisfied in any way with the response you receive, you should feel free to contact the Chair of the Select Board.

Questions and concerns regarding pay and deductions will be investigated and addressed promptly. If there has been an error, such as a deduction made in error, the employee will receive a corrected check or a check reimbursing the employee for the error, whichever is more practicable under the circumstances.

Employees should feel free to communicate any questions or concerns regarding pay or deductions. The Town will not tolerate retaliation against employees who have expressed concerns using this procedure.

E. REIMBURSABLE EXPENSES*

With prior approval by your department head, legitimate expenses will be reimbursed by the Town to the employee. The employee must submit receipts in order to be reimbursed. Reimbursement may be in the form of petty cash, an addition to a paycheck, or a separate check. See your department head with any questions as to whether and what expenses may be reimbursed.

Employees will be reimbursed for mileage expenses when they utilize their personally owned vehicle for Town business. Approval must be obtained in advance by the employee's department head. In the case of department heads approval must be obtained by the Board of Selectmen. Employees will be reimbursed for mileage based on the GSA rate at the time of travel. Employees will also be reimbursed for tolls and parking fees when receipts are submitted to the Town Administrator.

Employees will be reimbursed for lodging and travel expenses for the actual amounts when receipts are submitted. Employees must ask for government rates where applicable for lodging. The Town will only reimburse for actual lodging expense for a regular room rate. Phone expenses, room service or other expenses will not be reimbursed by the Town. The Town will only reimburse for bus, train or air travel expense for a coach or economy class ticket. Additional luggage fees will be reimbursed as well as the cost of travel to and from the bus terminal, train station or airport when receipts are submitted.

Employees will receive per diem rates for food (one meal) when they are required conduct business outside of the town for a minimum period of 8 work hours in any given day. Employees who are required to lodge overnight on town business are eligible for the full per diem rate for three meals. Per diem rates are based on the GSA rate for the area in which the employee is conducting town business. Employees must obtain permission from their respective department head in advance for approval for reimbursement of these expenses. Department heads must obtain approval from the Board of Selectmen to be reimbursed for their respective expenses.

Meal reimbursement is only available when other meals are not provided. The purpose of this policy is to ensure that employees are not paying for meals out of pocket.

F. OVERTIME

From time to time, it may be necessary for you to perform overtime work. All overtime must be approved in advance by department head. Except in the event of an emergency, the Town will attempt to provide you with advance notice of the necessity for overtime work. Most non-exempt employees, with the exception of certain law enforcement and fire protection employees, are entitled to be paid one and one-half (1-1/2) times their regular rate of pay for all time worked in excess of forty (40) hours per week. Sick days, holidays, vacation time, leaves of absences, personal days and other time off benefits are not counted as "time worked" for purposes of overtime. You will be advised when you are hired if you are entitled to overtime pay.

Town employees engaged in law enforcement activities will be paid overtime at the rate of one and one-half times their regular rates of pay for all time worked in excess of forty-three (43) hours worked in the seven (7) day work period. Town employees engaged in fire protection activities will be entitled to overtime pay at the rate of one and one-half times their regular rates of pay for all hours worked in excess of fifty-three (53) hours in the seven (7) day work period.

The Select Board may approve alternate calculations of overtime for periods that are authorized in accordance with the Fair Labor Standards Act for law enforcement and fire personnel.

Sewer dept.- Holiday leave, annual leave and other time off benefits are counted as “time worked” for purposes of overtime.

Sewer Dept. ON-CALL

Due to the nature of our business, certain employees are required to be on-call. You will be advised when you are hired if you will be required to be on-call. When on-call, employees will need to provide contact information. If called upon to report to a sewer dept. worksite for a call-back the effected non-exempt employee shall be paid a minimum of two (2) hours of compensation at one and one-half (1-1/2) times their normal rate of compensation. Incidental calls for issues not requiring the employee to report to a sewer dept. worksite (alarms, telephone calls, etc.) shall be paid on an actual weekly cumulative time basis throughout the duration of the employee’s on-call status, compensated at one and one-half (1-1/2) times the employees normal rate of compensation. Cumulative work time should be submitted along with weekly timesheets.

G. BREAKS AND MEAL PERIODS

Generally, all Town employees will be provided with a thirty (30) minute meal period/break after five consecutive hours of working, unless it is feasible to eat while working and the employee is permitted to do so. Fire protection and law enforcement personnel will receive meal breaks as established by their respective Departments. One or two paid break periods of fifteen (15) minutes will be granted during the work day if possible, but these breaks are not guaranteed.

H. TIME AWAY FROM WORK AND OTHER LEAVE BENEFITS.

1. HOLIDAYS

Full-time and part-time employees are entitled to the paid holidays listed below, provided that the employee normally works on that day and provided that the employee works his or her assigned day preceding and following the holiday. For hourly employees, holiday pay will be paid at the straight time hourly rate and will be pro-rated for employees who regularly work fewer than eight (8) hours on that day. Temporary employees are not entitled to paid holidays.

Some employees may be required to work on holidays. Police Officers paid on an hourly basis shall be paid an additional eight (8) hours of straight time for each holiday which will be calculated for the actual day of the holiday.

The Road Agent may allow employees who are required to work on a holiday in lieu of being paid holiday pay for that day to use the holiday on a different day. If the employee requests to use the holiday on a different day and the Road Agent approves the Road Agent will schedule

the holiday day for that employee to be used within 90 days of the actual holiday. The employee must utilize the holiday day within the 90 days or lose the holiday day and pay for that holiday.

Holidays:

New Year's Day	(January 1)
Martin Luther King Day	(3rd Monday of January)
President's Day	(3rd Monday of February)
Memorial Day	(Last Monday of May)
Independence Day	(July 4)
Labor Day	(1st Monday in September)
Columbus Day	(2nd Monday of October)
Veterans' Day	(November 11)
Thanksgiving Day	(4th Thursday in November)
Thanksgiving Friday	
Christmas Day	

All holidays will be observed on the day designated by the Federal Government; provided, however, that if a holiday falls on a Friday and the Town Hall is closed, then the holiday will be observed on the preceding Thursday or as approved by the Board of Selectmen upon request of a department head.

Sewer Dept. Employees working on a recognized holiday are entitled to be paid one and one-half (1-1/2) times their regular rate of pay in addition to their straight time pay. Employees who are required to work on a holiday may take a floating holiday or take holiday pay in addition to their overtime work pay. The floating holiday must be scheduled at least one week in advance and approved by your department head.

2. VACATION

Vacation is a time for you to rest, relax, and pursue special interests. The Town provides paid vacation as one of the many ways in which we show our appreciation for your hard work and continued service.

Full-time and part-time employees are eligible for paid vacation. Temporary employees are not entitled to paid vacation time.

Vacation time is granted to eligible employees based upon length of service and anniversary date. If there is a break in service, eligibility for vacation will be based on the employee's most recent hire date.

No part of an employee's scheduled vacation may be converted to sick leave. If illness or injury occurs during a vacation, sick leave benefits will not begin until the employee is scheduled to return to work.

Vacation pay for a full week will be paid based on the normal straight time scheduled hours; i.e., if someone normally is scheduled for forty (40) hours per week, their vacation pay will be for forty (40) hours for each full week requested, and anyone normally scheduled for thirty-five (35) hours will be paid thirty-five (35) hours for each full week requested. If requested, an employee shall be paid his or her vacation pay before starting his or her vacation provided that such vacation pay is scheduled at least two (2) weeks in advance; otherwise, the employee shall be paid his or her vacation pay upon return from vacation.

Vacation is earned during the calendar year and is accrued according to the following schedule:

<u>Years of Continuous Service</u>	<u>Vacation Time</u>
First Year after 6 months	5 days
Year 2-5	10 days
Year 5-15	15 days
Year 15-20	20 days
After Year 20	25 days

Vacation time shall be accrued on the following schedule;

First Year	.416 days per month
Year 2-5	.833 days per month
Year 5-15	1.25 days per month
Year 15-20	1.66 days per month
After year 20	2.08 days per month

A part-time employee will be paid for vacation time on a pro-rated basis in accordance with his/her regular hours of work. For instance, if a part-time employee regularly works five (5) hours per day, then the part-time employee will only be entitled five (5) hours of pay when he/she takes a vacation day.

You are expected to take your vacation during the year in which it is earned. Vacation time may be taken in full day or half day increments. The Town will not pay employees for unused, accrued vacation time at the end of the year. Vacation time may be carried over and accumulated to a maximum of thirty (30) days in subsequent years. An employee will not be paid accrued, unused vacation pay upon termination from employment unless the employee has been actively employed for at least six (6) months prior to the termination and: (1) in the event of resignation or retirement, the employee has given two (2) weeks' notice of his/her intent to resign or retire; or (2) in the event of involuntary discharge, the termination was not "for cause," as determined by the Town.

An employee will not accrue any vacation time for those pay periods in which the employee is entitled to no wages, unless required under law. Generally, this will occur when the employee is on unpaid leave, such as FMLA leave.

All employees must submit requests for vacation time to their department head through the electronic payroll system. Requests should be submitted at least two weeks in advance of the requested vacation dates. Vacation may be taken only if the request is approved by your department head. Department heads must notify the Town Administrator and the Chairman of the Board of Selectmen when they plan to use a vacation day.

ANNUAL LEAVE-Sewer Department Employees

Employees of the Sewer Department receive annual leave instead of vacation, sick and personal days. Annual leave is awarded according to the following schedule:

Years of Continuous Service Annual Leave Time

First Year after 6 months	104 hours (13 days)
Year 1-4	144 hours (18 days)
Year 5-9	184 hours (23 days)
Year 10-19	224 hours (28 days)
Year 20 and after	264 hours (33 days)

Annual leave time shall be accrued on the following schedule over a 10 month period beginning in January and ending in October;

First Year after 6 months	10.4 hours per month
Year 1-4	14.4 hours per month
Year 5-9	18.4 hours per month
Year 10-19	22.4 hours per month
Year 20 and after	26.4 hours per month

If an employee has not used all of their annual leave at the end of the year, the ASC will pay out up to one week of unused annual leave time remaining at the end of the year. Any unused annual leave in excess of one week at the end of the year shall lapse and be unredeemable. An employee will not be paid for un-accrued annual leave time upon termination from employment. In the event of resignation or retirement, if the employee has given two (2) weeks' notice of his/her intent to resign or retire, the employee shall be paid for all accrued annual leave.

Annual leave to meet all of the same requirements as for other town employees for vacation, with the exception of carryovers.

3. PERSONAL DAYS

The Town will provide two (2) paid personal days each to all full-time and part-time employees. Temporary employees are not entitled to any paid personal days. A part-time employee will be paid for personal days on a pro-rated basis in accordance with his/her regular hours of work. Personal days may not be carried over from year to year, and employees will not be paid for personal days not taken either during the year upon separation from employment. All personal days must be approved in advance by your department head. Department heads must notify the Town Administrator and the Chairman of the Board of Selectmen when they plan to use a Personal Day. Personal days may be taken in half day or full day increments.

4. SICK LEAVE

The Town provides paid sick days to all full-time and part-time employees. Temporary employees are not entitled to any paid sick days. Sick time may be used in quarter hour increments, and employees will be paid at the normal straight time rate for the number of hours the employee was scheduled to work. Sick pay may not exceed the employee's regular workday and/or workweek hours.

Sick leave accrues at the rate of six (6) days per year, up to a maximum of thirty (30) days based on the employees normal daily hour schedule (8, 9 or 10 hour schedule). Accrual commences on the date of hire, but cannot be taken during the first ninety (90) days of employment (probationary period). A part-time employee will be paid for sick days on a pro-rated basis in accordance with his/her regular hours of work.

Sick days are to be used for absences due to illness of the employee. Sick Leave may also be granted for the employee's bodily injury, illness or injury of the employee's child, or spouse, and appointments with a physicians, dentist or therapist. Employees should, however, make every effort to schedule appointments with a physician, dentist or therapist outside the work day. Additionally, employees must attempt to make other arrangements to allow a spouse or family member to care for a dependent under these circumstances. The Town may, at any time, ask you to submit satisfactory medical verification of an illness from your health care provider. Failure to provide verification may result in loss of sick leave benefits or, in cases in which sick leave abuse is detected, disciplinary action.

An employee will not accrue any sick leave for those pay periods in which the employee is on unpaid leave status.

Any unused sick time in excess of 30 days will expire at the end of the year and will not be bought back by the Town. It may not be carried over into the following year. Employees who leave the Town employment for any reason will not be entitled to any pay for unused sick days.

Employees who are unable to report for work due to sickness or injury must notify their department head as soon as they become aware that they will be unable to report for work. Employees who do not report to work due to sick leave must contact their department head on a daily basis relative to the need for and status of their absences, unless otherwise directed.

Reporting of the absence to any employee other than your department head will not be accepted as compliance with the daily reporting requirement. Employees who fail to report to work or call in to the department head for three (3) consecutive work days will be considered to have voluntarily resigned from their employment. Department Heads will report their own absence due to sick leave as indicated above however they will report the absence to the Town Administrator and the Chairman of the Board of Selectmen. Exempt salaried employees must correctly record absences on their timesheet due to being sick and unable to work as a sick day (or half day when applicable).

5. FAMILY AND MEDICAL LEAVE

Under the Family and Medical Leave Act (“FMLA”), eligible employees may take an unpaid leave of absence and be restored to the same or an equivalent position upon their return to work for any of the following reasons:

- (1) The birth of the employee’s child and to care for the newborn child (leave must be taken within twelve (12) months of the birth of the child);
- (2) The placement of a child with the employee for adoption or foster care, and in order to care for the newly placed child (leave must be taken within twelve (12) months of the adoption or placement of the child);
- (3) The serious health condition of a spouse, parent, minor child, or adult child when the adult child is incapable of self-care and the employee is needed for such care (“covered family members”);
- (4) The employee’s own serious health condition that renders the employee unable to perform his or her job;
- (5) A “qualifying exigency” (as defined in the Department of Labor Regulations) arising out of the fact that the spouse, or a son, daughter, or parent of the employee is on active duty or has been notified of an impending call or order to active duty in the United States Armed Forces in support of a contingency operation as a member of the National Guard or Reserves;
- (6) The employee is a spouse, son, daughter, parent, or next of kin of a “covered service member” (as defined in the Department of Labor Regulations) who has a serious injury or illness and the employee is needed to care for such person.

Eligibility Requirements: To be eligible for FMLA leave, an employee must satisfy both of the following conditions:

The employee must have worked for the Town for at least twelve (12) months, and must have performed at least 1,250 hours of work in twelve (12) months prior to a leave request; and

At the time leave is requested, the employee must either: (a) work at a site where the Town employs fifty (50) or more employees or (b) work at a worksite where the Town employs less than fifty (50) employees if fifty (50) or more employees are employed within a seventy-five (75) mile radius of the worksite.

Leave Entitlement: If an employee takes FMLA leave for a reason stated in paragraphs (1)-(5), above, the employee is entitled to up to twelve (12) workweeks of unpaid leave during a twelve (12) month period. That twelve (12) month period is defined as a "rolling" twelve (12) month period measured backward from the date an employee begins an FMLA leave. In other words, the number of weeks the employee has available upon the beginning of a FMLA leave will be twelve (12) weeks less the number of FMLA leave weeks taken in the twelve (12) month period prior to the beginning of the current FMLA leave (the "Available Leave Weeks"). For example, if an employee used four weeks beginning February 1, 2008, four weeks beginning June 1, 2008, and four weeks beginning December 1, 2008, the employee would not be entitled to any additional leave until February 1, 2009. Beginning on February 1, 2009, the employee would be entitled to four weeks of leave; on June 1, 2009, the employee would be entitled to four additional weeks; and so on.

If an employee takes FMLA leave for the reason stated in paragraph (6), above, the employee may take up to 26 weeks of unpaid FMLA leave within a single 12-month period. This 12-month period begins on the first day of leave.

An employee who takes FMLA leave for a reason stated in paragraph (6), above, will be limited to a combined total of 26 workweeks of leave for any FMLA-qualifying reason during the single 12-month period. The leave entitlement described in paragraph (6) above is to be applied on a per-covered-service member, per injury basis such that an eligible employee may be entitled to take more than one period of 26 workweeks of leave if the leave is to care for different covered service members or to care for the same service member with a subsequent serious illness or injury, except that no more than 26 workweeks of leave may be taken within any single 12-month period.

Tracking FMLA Leave: When an eligible employee requests any leave of absence that qualifies under the FMLA, the Town has the right to designate such leave as FMLA leave. For example, if an eligible employee suffers a work related injury that qualifies as a serious health condition, the Town has the right to designate any time away from work as FMLA leave. In such circumstances, the Town will provide the employee with the same notifications as though the employee had specifically requested FMLA leave.

Intermittent and Reduced Schedule Leave: Under some circumstances, employees may take FMLA leaves of absences intermittently (in separate blocks of time due to a single FMLA qualifying reason) or on a reduced leave schedule (reducing the usual number of hours an employee works per workweek or workday). Certification will be required to show that an intermittent or a reduced schedule leave is a medical necessity for leaves under paragraphs (3), (4), and (6), above. Other documentation or certification may be required to show that such an intermittent or a reduced schedule leave is necessary in the case of a leave of a “qualified exigency” under paragraph (5), above.

If FMLA leave is for birth and care, or placement for adoption or foster care, as described in paragraphs (1) and (2), above, use of intermittent leave is subject to the Town approval.

When an employee takes intermittent or reduced schedule leave, time spent working will not be counted against the employee’s FMLA entitlement.

Employees taking intermittent or reduced schedule leave will be paid for the time they work, and the leave time away from work will be unpaid unless the employee qualifies for workers’ compensation, short-term disability, or other benefits. If an employee is a salaried employee, the Town will adjust the employee’s salary based on the amount of time actually worked.

While an employee is on intermittent or reduced schedule FMLA leave, the Town may temporarily transfer the employee to an available alternate position that better accommodates the employee’s recurring leave and that has equivalent pay and benefits.

Employees who take intermittent leave for a planned medical treatment have an obligation to make a “reasonable effort” to schedule the treatment so as not to disrupt unduly the Town’s operations.

Status of Employee Benefits: Employees are required to use any accrued, unused paid time off days during FMLA leave unless the FMLA leave is otherwise paid through workers’ compensation benefits, short-term disability benefits, or other benefits. The substitution of paid leave time for unpaid leave time does not extend the FMLA leave period. Also, the employee’s FMLA leave may run concurrently with other types of leave.

During an approved FMLA leave, the Town will maintain the employee’s health benefits under the same terms and conditions applicable to employees not on leave.

If paid leave is substituted for unpaid FMLA leave, the Town will deduct the employee’s portion of the health plan premium as a regular payroll deduction.

If an employee’s leave is unpaid, or is paid through workers’ compensation, short-term disability benefits, or other benefits not provided through the Town’s payroll system, the employee must pay his or her portion of the premium by making arrangements with the Town.

Health and other benefit coverage may be canceled if the employee's premium payment is more than (thirty) 30 days late.

If an employee elects not to return to work at the end of the leave, the employee will be required to reimburse the Town for the cost of the premiums paid by the Town for maintaining coverage during the unpaid leave, unless the employee cannot return to work because of a serious health condition or because of other circumstances beyond the employee's control. If the FMLA leave is for a condition that is covered under the Town's short or long term disability insurance, covered employees may apply for benefit coverage.

Benefit entitlements based on length of service will be preserved at the level earned as of the commencement of the leave, but will not accrue further during the leave period. For example, an employee on leave will not accrue additional sick/personal days.

Requesting Leave: Employees must complete the appropriate FMLA leave request forms. These forms are available from your department head or the Town Administrator.

If an employee's need for leave is foreseeable, such as for the birth of a child or planned medical treatment, you must give your department head (thirty) 30 days' prior written notice. In cases of planned medical treatment, please make efforts to schedule the treatment to avoid disrupting the Town's operations.

If the need for leave is not foreseeable, the employee must give notice to your department head as soon as practicable (generally, either the same day or the next business day of learning the employee's need for leave) and the employee must comply with all of the Town's policies regarding absences from work. Failure to provide such notice may be grounds for delaying the leave. If the employee is unable to notify the Town of his/her need for leave personally because of illness, the employee should ask someone else to call on his or her behalf.

Medical Certifications: If an employee is requesting leave because of the employee's serious health condition, a covered family member's serious health condition, or for the serious injury or illness of a covered service member, the employee must provide a medical certification from the appropriate health care provider. It is an employee's responsibility to provide a complete and sufficient certification. Please obtain a medical certification form from your department head or the Town Administrator for the health care provider to use. If possible, the employee should provide the medical certification before the leave begins. If that is not possible, the employee must provide the medical certification within fifteen (15) days of requesting leave. If the employee does not provide the required medical certification in a timely manner, the employee's leave may be delayed. If you do not provide the certification at all, the Town will not be able to determine whether you are eligible for FMLA

leave and your leave will be denied. The Town reserves the right to authenticate or clarify any medical certification if necessary.

In the case of an employee's own serious health condition, or that of a family member's serious health condition, the Town, at its expense, may require an examination by a second health care provider designated by the Town. If the second health care provider's opinion conflicts with the original medical certification, the Town, at its expense, may require a third health care provider agreed upon by the employee and the Town to conduct an examination and provide a final and binding opinion.

The Town may also require subsequent medical re-certification. Failure to provide requested re-certifications within fifteen (15) days may result in delay of further leave.

Certifications for a Qualifying Exigency: Employees who request a leave for a "qualifying exigency" arising from an immediate family member's call to active duty or impending call or order to active duty will be required to provide a copy of the family member's active duty orders or other documentation issued by the military indicating the member is on active duty or call to active duty status in support of a contingency operation. Other documentation certifying the exigency necessitating the leave will also be required.

Confirmation of Familial Relationship: Employees requesting a leave of absence based on a familial relationship (e.g. leaves under paragraphs (3), (5) and (6)), may be required to provide reasonable documentation or statement of family relationship. This documentation may take many forms, including but not limited to a child's birth certificate, a court document, etc.

Reporting While On Leave: If an employee takes leave because of his or her own serious health condition, to care for a covered family member with a serious health condition, to care for a covered service member with a serious illness or injury, or for a qualifying exigency, the employee must contact your department head or the Town Administrator on a regular basis to provide updates about the status of the need for leave (e.g. the medical condition of the employee or the individual for whom the employee is caring, or other circumstances necessitating leave) and the employee's intention to return to work. In addition, the employee must give notice as soon as practicable (within two (2) business days if feasible) if the dates of leave change or are extended or initially were unknown.

No Work While On Leave: The taking of another job (including self-employment) while on FMLA leave or any other authorized leave may lead to disciplinary action, up to and including discharge.

Returning To Work: At the end of an authorized FMLA leave, the employee will be reinstated to his or her original position or an equivalent position. However, certain highly compensated employees or "key employees" may be denied restoration to their prior or

equivalent position if keeping the job open for the employee would result in substantial economic injury to the Town. Key employees are those employees who are among the highest paid ten percent of employees within 75 miles of the worksite.

If an employee takes leave because of his or her own serious health condition, the employee will not be reinstated until the employee provides a fitness for duty certificate from his or her health care provider confirming that the employee is medically able to resume work and perform the essential functions of his or her job. The return-to-work medical certification forms are available from your department head or the Town Administrator. The Town reserves the right to clarify and authenticate such certification.

Coordination With Maternity Leave: As stated in our Maternity leave policy, the Town provides female employees with a leave of absence for the period of temporary physical disability resulting from pregnancy, childbirth, and related medical conditions. If an employee is also eligible for FMLA leave, the employee's FMLA leave and Maternity Leave will run concurrently. Please refer to the Town's Maternity Leave policy for more information regarding Maternity Leave.

For purposes of coordinating FMLA and maternity leaves, maternity disability leave will be treated in the same manner as the FMLA leave of absence described in paragraph (4) above. Maternity disability leave begins when an employee is medically determined to be disabled and ends when medically determined to be able to return to work. If a maternity disability leave is for the number of available FMLA leave weeks or less, the employee may take additional FMLA leave pursuant to paragraph (1) or (2) after the end of the disability period, not to exceed the number of remaining available leave weeks and will be reinstated in accordance with this FMLA policy. If a maternity disability leave exceeds the number of available FMLA leave weeks, then reinstatement will be governed by the maternity leave policy.

Coordination With Other Town Policies; Reference To FMLA And Federal Regulations: In the event of any conflicts between this policy and other Town policies, the provisions of this policy will govern. The FMLA and the FMLA regulations issued by the U.S. Department of Labor contain many limitations and qualifications that are not stated in this policy. The Town reserves the right to apply the terms of the FMLA and the FMLA federal regulations.

Any questions relative to FMLA leaves, including eligibility requirements, should be directed to the Town Administrator at 485-4276.

6. MATERNITY LEAVE

All female employees may take an unpaid leave of absence for the period of temporary physical disability resulting from pregnancy, childbirth or related medical conditions. A maternity leave begins when an employee is medically determined to be disabled and ends when she is medically

able to return to work. Employees will be required to take FMLA leave, if they are eligible for such leave, concurrently with maternity leave, as described in our FMLA policy.

Employees must use their accrued vacation and sick/personal time before taking unpaid leave under this policy. Employees on maternity leave may also be eligible for short-term disability benefits.

Employees on maternity leave who are not eligible for FMLA leave or who have exhausted their FMLA available leave weeks will be allowed to continue to participate in our health insurance benefit for the calendar month during which the leave begins. When that calendar month expires, the employee may continue medical insurance coverage by making arrangements with the Town Administrator to pay the entire amount of the appropriate monthly premium in advance each month.

When the employee is physically able to return to work, her original job or a comparable position will be made available to her unless business necessity makes this impossible or unreasonable. An employee who cannot be returned to her original or a comparable position will remain eligible to apply for any available position within the Town.

7. PERSONAL LEAVE OF ABSENCE

The Town recognizes that due to personal circumstances, it may be necessary for an employee to request more time off than is provided under our policies. A personal leave of absence may be granted at the sole discretion of the Board of Selectmen to employees who have exhausted their leave available under our other leave policies, including vacation, sick, personal, maternity leave and FMLA, and is normally only granted for compelling reasons.

Personal leaves of absence will be unpaid, and an employee on an unpaid personal leave of absence is not entitled to accrue any benefits, including, but not limited to, holidays, vacation time, sick leave, and personal days. However, if the leave of absence is for medical reasons, eligible employees may apply for workers' compensation or short-term disability benefits. The forms for these benefits are available from Town Administrator.

Employees who are granted a personal leave of absence may continue to participate in our health insurance benefit for the calendar month during which the leave begins. When that calendar month expires, the employee may continue health insurance coverage by making arrangements with the Town Administrator to pay the entire amount of the appropriate monthly premium in advance each month.

To request a personal leave of absence, please contact the Town Administrator. You may be asked to provide a written request for the leave and/or a health care provider's certificate stating the reason for the leave and the expected date of return to work. If granted, personal leaves typically will not exceed thirty (30) days. An employee who has taken leave for medical reasons

must submit a fitness for duty certificate from his or her health care provider before reinstated to work.

Requests for leave will be considered on a case-by-case basis, taking into account the Town's staffing needs and other factors. If a personal leave is granted, you may not accept other employment of any kind, including a business of your own, while you are on leave. If you are granted a personal leave of absence, you must inform us when you are able to return to work.

We will make reasonable efforts to reinstate employees returning from personal leaves to the same or similar job as held prior to the leave of absence, subject to our staffing needs and other requirements. Please understand that we cannot guarantee reinstatement from a personal leave. If the Town is not able to reinstate an employee returning from leave, the employee's employment will be terminated, and the employee will remain eligible to apply for employment in the future. If an employee fails to return to work following the expiration of the leave, the employee will be considered to have voluntarily resigned from his or her employment with the Town.

8. MILITARY LEAVE

Employees who voluntarily or involuntarily serve in the United States armed forces or National Guard (collectively referred to as "uniformed services") will be provided with leaves of absence for such service or training in connection with such service in accordance with the federal Uniformed Services Employment and Reemployment Rights Act ("USERRA").

Military leaves of absence will be unpaid, unless otherwise required by law. You may elect to take part of, or all of, your accrued vacation time with pay during your military leave of absence, but you are not required to do so.

Notice of Leave Request: An employee needing time away from work for service or training in the uniformed services should make your department head aware of the need for leave as soon as the employee receives the written or verbal orders. It is requested that notice should be provided at least 30 days before the leave begins where it is at all possible to do so.

An employee's request for leave may include reasonable time off to get personal business in order prior to commencing service in the uniformed services. Reasonable time off will be decided by your department head based on a case by case basis.

Health Coverage: If a military leave lasts less than 31 days, the employee's health insurance will be continued and the employee will pay his/her regular contribution for the cost of health insurance. Payment for insurance with less than 31 days leave may be paid in advance or upon return through payroll deductions.

If a military leave lasts 31 days or more, then the employee's health insurance coverage will cease and the employee will be eligible to elect to continue his or her health insurance coverage

at his or her own expense for up to 24 months, in accordance with USERRA. The cost for continuation coverage will be the full cost of the premium, and a 2% administrative fee may also be charged.

When the employee returns to work, he or she will be reinstated to the health insurance benefit with no waiting period, even if coverage terminated during the leave.

Pension: Upon reemployment the employee is treated as if there was no break in service for participating, vesting and accrual purposes. If applicable, the employee may elect to make up any missed contributions or elective deferrals, but is not required to do so.

Reinstatement: Employees wishing to be reinstated following military leave should promptly notify your department head of their desire to be reinstated. If the leave is for service of less than 31 days, then the employee should return to work on the first full regularly scheduled work day following completion of service, allowing for 24 hours of rest and time for safe transportation back from the service. If the service lasts 31 to 180 days, then the employee should notify the department head of the desire for reinstatement within 14 days of completing service. If the military leave lasts more than 180 days, then the employee should notify the department head of the desire for reinstatement within 90 days of completing service.

The Town will reinstate eligible employees promptly. Eligibility for reemployment will be determined with reference to USERRA and its implementing regulations. Employees seeking reinstatement may be asked to provide documentation of the timeliness of the reinstatement request, the total time spent in service, and/or a statement that the reason for separation or dismissal from service is not disqualifying.

Employees cannot waive their reemployment rights in advance of being released from uniformed service.

Disabled Service Members: If a returning employee was disabled or a disability was aggravated during uniformed service, the Town will make reasonable accommodations and efforts to help the employee become qualified to perform the duties of his or her reemployment position.

Statement against Discrimination and Retaliation: The Town will not discriminate in hiring, employment, reemployment, or any benefits of employment against any individual because of that individual's service in the United States uniformed services. The Town also will not tolerate any retaliation against any individuals because of their service in the uniformed services or their engagement in any other activities protected under USERRA.

Questions regarding this policy should be directed to the Town Administrator.

9. BEREAVEMENT LEAVE

Full-time and part-time employees will be granted time off from work without loss of pay in connection with the death of a relative in accordance with the following policy.

In the event of the death of a member of a full-time or part-time employee's immediate family, the Town provides three (3) days paid time off. The three (3) work days usually include the day before the funeral and a day after. Pay for part-time employees will be pro-rated based on the number of hours, if any, the employee regularly works on those days. "Immediate family" includes spouse, civil union partner, children (including biological or by adoption), step-children, parents, brothers, sisters, step-parents, step-brothers, step-sisters, mother-in-law, father-in-law, brother-in-law, sister-in-law, grandparents, and grandchildren of the employee.

10. JURY DUTY/WITNESS LEAVE

The Town considers it a civic duty to serve on a jury if summoned and will grant you leave in order to serve on a jury. An employee shall be excused from employment for the day or days required in serving as a juror or witness in any court of the United States or the employee's state of residence. For part-time and temporary employees, jury or witness duty will be considered an excused unpaid absence. A full-time employee called for jury duty, or subpoenaed as a witness shall be granted paid leave for the period of the civil involvement. Employees who are compensated for jury duty shall be paid the difference between their regular day's pay and the amount of compensation they receive for performing their jury duty.

Employees summoned for jury duty must inform their department head as soon as possible, and must present a copy of the summons to the department head. If released from jury duty on any day, the employee is expected to return to work.

11. LEAVE OF ABSENCE FOR VICTIMS OF CRIME

The Town will grant an employee unpaid time off from work to attend court or other legal or investigative proceedings associated with the prosecution of a crime in which the employee was a victim. For purposes of this policy, a "victim" is any person who suffers direct or threatened physical, emotional, psychological, or financial harm as a result of the commission or attempted commission of a crime.

Employees may also qualify for leave under this policy if they are part of the immediate family of a homicide victim or part of the immediate family of a child under the age of 18 or an incompetent adult who is the victim of a crime. For purposes of this policy, "immediate family" means the father, mother, stepparent, child, stepchild, sibling, spouse, civil union partner, grandparent, or legal guardian of the victim, or a person who is otherwise in an intimate relationship with and residing in the same household as the victim.

An employee needing time off under this policy should notify their department head as far in advance as possible. The employee may be asked to submit copies of the notices of each scheduled hearing, conference, or meeting that is provided to the employee by the court or

agency involved in the prosecution of the crime. Employees must comply with any requests to submit these notices, and failure to do so may result in denial of the leave of absence. The Town will maintain any such notices or records in confidence, and will disclose them only on a need to know basis.

The employee will be notified as soon as practicable whether the leave request is granted or denied. Requests falling within the definitions of this policy will typically be granted unless the leave of absence would cause an undue hardship on the Town. An “undue hardship” for purposes of this policy means significant difficulty and expense. In determining whether an undue hardship may exist, we will consider the size of our operations, the employee’s position, and our need for the employee to be at work.

Leave taken under this policy is unpaid, although an employee may elect to use his or her accrued, unused vacation time, sick leave, or personal days.

The Town will not discharge, threaten, or discriminate against an employee for taking leave under this policy, and employees taking leave under this policy will not lose any seniority during the leave of absence.

12. MEDICAL BENEFIT PLAN

Eligible employees may participate in our medical insurance plan. Full-time employees may enroll in either a single, two-person, or family plan after meeting the eligibility criteria stated in our plan documents. Information and enrollment forms may be obtained from the Town Administrator. To assist you with the cost of this insurance, the Town currently pays a portion of the premium for single, two-person, or family coverage. The balance is to be paid by the employee through an authorized payroll deduction.

Part-time employees who are regularly scheduled to work more than 30 hours per week are eligible to participate in the Town’s medical insurance plan. However the employee is responsible for payment of 100% of the premium cost.

12A. RETIREE PARTICIPATION IN THE MEDICAL BENEFIT PLAN

Employees upon retirement may participate in the Town’s medical insurance plan in accordance with the provisions of RSA 100-A:50 and the applicable rules of the Town’s insurance carrier. Retirees shall be responsible for paying 100% of the premium. Retirees who do not immediately upon retirement enroll in the Town’s medical insurance may do so at a later date.

Retirees under the age of 65 and their family members who are not Medicare eligible are entitled to the same medical and/or dental plan coverage options as are provided to active employees of the Town.

Retirees who are Medicare eligible as well as their spouses and dependents may participate in the medical plan coverage through the Medicare supplemental plans offered by the Town's insurance carrier.

Please see your department head for more details.

13. DENTAL PLAN

Eligible employees may participate in our dental plan. Full-time employees may enroll in either a single, two-person, or family plan after meeting the eligibility criteria stated in our plan documents. Information and enrollment forms may be obtained from the Town Administrator. To assist you with the cost of this insurance, the Town currently pays a portion of the premium for single, two-person, or family coverage. The balance is to be paid by the employee through an authorized payroll deduction.

Please see your department head for more details.

14. LIFE INSURANCE

The Town currently provides group life insurance to all full-time employees. The amount of coverage is currently calculated at 1.5 times your annual salary and is subject to change. There is no shared cost with eligible employees at this time.

15. RETIREMENT PLAN

Full time employees are eligible to participate in the New Hampshire Retirement System. For more information, please see the Town Administrator.

16. SUPPLEMENTAL RETIREMENT PLAN

Employees are eligible to participate in a 457b supplemental retirement plan to the extent and as specified in the plan. Employees may make contributions to the plan through payroll deductions. The Town will contribute the statutory percentage of the employer's amount for hours worked by police officers when working a detail for those officers whose detail pay is not subject to the NHRS. The Town will only make such contributions if the employee agrees to participate in the 457b plan offered by the Town and the employee agrees to contribute the percentage the employee would normally contribute to the NHRS for their normal pay. This only applies for pay received for outside duties.

17. SHORT-TERM AND LONG-TERM DISABILITY

Full-time employees are currently eligible to enroll in our short-term and long-term disability insurance after completing three (3) months of employment. This insurance is designed to provide some income for you in the event that you suffer a non-occupational illness or injury. There may be waiting periods that apply before the benefits will begin.

Our short-term and long-term disability benefits are governed by detailed plan documents that are available from the Town Administrator.

If you are enrolled in our short-term or long-term disability benefits and you suffer an illness or injury, please notify the Town Administrator immediately. The Town Administrator will tell you which forms must be completed and the medical information that must be supplied to apply for the benefits.

Employees have the option of turning over the payments from the third party insurer to the Town to allow the employee to receive those payments through the Town's payroll system allowing for the normal payroll deductions to be made. Employees may also use accumulated vacation, sick and personal time in increments that would allow them to receive a full paycheck based upon their regular payroll for a pay period until such time that the accumulated time is exhausted. The duration of the ability to turn over disability payments to the Town is further limited to the extent the employee retains their status as an employee of the Town. Additionally, the employee must sign an acknowledgement form, as to their obligation to sign and turn over their disability benefit check to the Town.

18. CONTINUATION OF HEALTH INSURANCE COVERAGE

The Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA") provides eligible employees and their qualified beneficiaries the opportunity to continue health insurance coverage under the Town's health plan (including medical and dental) when a "qualifying event" would normally result in the loss of eligibility. Some common qualifying events are resignation; termination of employment; death of an employee; a reduction in an employee's hours; leave of absence; divorce or legal separation; and a dependent child no longer meeting eligibility requirements. For qualifying events relating to divorce or legal separation, employee must provide the Town with a copy of the court order confirming such status. For the qualifying events under COBRA for divorce or legal separation, such continued coverage may extend up to 36 months from date of divorce or legal separation. For the qualifying event relating to termination of employment, such continued coverage may extend up to 18 months.

Under COBRA, the employee or beneficiary pays the full cost of coverage after a qualifying event at the Town's group rates plus an administration fee for continuation coverage. The Town provides each eligible employee with a written notice describing rights granted under COBRA when a qualifying event occurs. The notice contains important information about the rights and obligations of the employee and/or beneficiary(ies). Failure to timely comply with the notice may result in a loss of insurance coverage. It is imperative that each employee keep the Town apprised of the status of his/her family life and age of dependents. Please see the Town Administrator for more information about COBRA.

Separate from COBRA rights that may be applicable, an employee may elect to continue to allow an ex-spouse to participate under the Town's medical insurance plan if they are divorced or legally separated. Employees must provide the Town with a copy of the court order for the

divorce or legal separation. In such cases, the employee is responsible for the cost share to be paid through payroll deduction as if the employee were still married to the ex-spouse. This coverage if elected by the employee for the ex-spouse is available for a period totaling 36 months from the earlier of legal separation or divorce. COBRA coverage shall run concurrent with coverage under this provision in accordance with federal and state law.

19. WORKERS' COMPENSATION INSURANCE AND REPORTING WORKPLACE INJURIES

On-the-job injuries are covered by Workers' Compensation Insurance, which is provided at no cost to the employee. We ask for your assistance in alerting the Town to any condition which could lead or contribute to an employee accident.

Reporting Injuries: If you are injured on the job, no matter how slightly, you **must** report the incident immediately to your department head. Employees must complete the necessary workers' compensation forms following any injury. The Workers' Compensation carrier must also be contacted prior to seeking medical attention (unless it is a life-threatening injury).

Weekly Income Benefits: The amount of the weekly worker's compensation benefit is set by the New Hampshire Department of Labor. The weekly benefit is currently based upon 60% of an employee's average weekly wages. These benefits are paid by our workers' compensation carrier to eligible employees. Employees have the option of turning their workers compensation check over to the Town to allow the employee to receive those payments through the Town's payroll system allowing for the normal payroll deductions to be made. Additionally if the employee chooses this option the Town will pay the employee the remaining amount but no more than 40% of an employee's normal weekly (without overtime or detail pay) payroll amount after the normal deductions are made. If the employee elects this option, the maximum number of days that the Town will pay the supplemental 40% is capped at 260 days. Additionally, this option is only available when the employee is actually receiving payments from the Town's workers compensation insurer. The employee must submit to a medical examination at the request of the Town to demonstrate the inability of the employee to perform their job function as well as their inability to perform Temporary Alternative Duty. Before an employee can be eligible for this option they must exhaust any accumulated vacation, sick and personal time. Increments of accumulated vacation, sick and personal time must be exhausted toward the 40% weekly payments before the Town will continue such payments with unearned time. The duration of the ability to turn over the workers' compensation payments to the Town and the duration of the 40% supplemental payment is further limited to the extent the employee retains their status as an employee of the Town. Additionally, the employee must sign an acknowledgement form, as to their obligation to sign and turn over their workers' compensation benefit check to the Town.

Temporary Alternative Duty: Employees with work-related injuries may also be entitled to temporary alternative duty in accordance with New Hampshire's workers' compensation laws. Employees with non-work-related disabilities who require accommodations to perform their jobs

should make accommodation requests to your department head. Please refer to the Americans with Disabilities Act policy in this Personnel Manual for more information.

Reinstatement: A full-time employee who has sustained an on-the-job injury will be reinstated to his or her former position upon request within eighteen (18) months of the initial injury if the position exists and is available, and the employee is not disabled from performing the duties of the position. A fitness-for-duty certificate may be required before an employee is permitted to return to work.

Under New Hampshire law, an employee's reinstatement rights expire eighteen (18) months from the date of injury. An employee also will not be reinstated if he/she has accepted a job with another employer at any time after the date of the injury or if there is a medical determination that the employee cannot return to his/her former position. Other circumstances concerning reinstatement will be governed by the New Hampshire Department of Labor requirements.

20. TEMPORARY ALTERNATIVE DUTY POLICY

In accordance with the provisions of RSA 281-A: 23-b, the Town will provide temporary alternative work opportunities for employees who suffer a work-related injury or illness.

When practicable, employees will be returned to their regular duties with modifications consistent with a healthcare provider's stipulated work restrictions. In the event that such restrictions make it impracticable for an employee to perform his or her normal job duties, even with modification, the employee may be reassigned to different duties or a different work schedule and may include assignment to a different department with the Town.

The specific assignment of duties shall be determined on a case-by-case basis pursuant to the healthcare provider's restrictions and the work available at the time of the injury or illness.

The Temporary Alternative Work Program will be available to employees for a period of time extending as long as the circumstances of the illness/injury requires, but not longer than four (4) months as dictated by the treating physician and as such duties are available.

The treating healthcare provider and the ill/injured employee share the responsibility of providing the Town the NH Workers' Compensation Medical Form. This form provides information relating to the employee's capabilities necessary to structure a temporary duty program. Your department head and the Town Administrator will work with the employee to facilitate a safe return to work program within limitations listed by the treating physician. If necessary, the Town may contact the treating physician for additional information.

After each subsequent visit, the ill/injured employee will be responsible for providing an updated medical form completed by the treating healthcare provider and returned to the Department Head

or Town Administrator. Additional modifications will be made to the return to work program as required.

Upon release by the healthcare professional, the employee will assume normal duties of his or her regular position.

21. UNEMPLOYMENT INSURANCE

The Town pays into the unemployment compensation fund established by the State of New Hampshire. Individuals laid off from employment by the Town may be eligible for unemployment compensation benefits through the New Hampshire Department of Employment Security.

22. SOCIAL SECURITY

Social Security is a payroll deduction representing your contribution to the federal government's Social Security Program. The Town also contributes money on your behalf to the Social Security Program.

5.0 ON THE JOB

5.01 ATTENDANCE

Attendance and punctuality are important factors for your success in the Town. However, the Town is aware that emergencies, illnesses, or pressing personal business that cannot be scheduled outside work hours may arise.

If an employee is unable to report to work, or if an employee will arrive late, the employee must contact his or her department head. The department head should be given as much time as possible to arrange for someone else to cover the position until the employee arrives. If the employee knows in advance that he or she will need to be late or absent, the employee is required to request, in writing, this time off directly from the department head.

For late arrivals, the employee should indicate when he or she expects to arrive for work. If the employee is unable to call in because of an illness, emergency or for some other reason, the employee should arrange to have someone call on his or her behalf.

Absence from work for two (2) consecutive days without notifying your department head will be considered a voluntary resignation. Furthermore, three (3) absences in a 90-day period, or a consistent pattern of absence, will be considered excessive, and the reasons for the absences may come under question.

Tardiness or leaving early is often as detrimental to the Town as an absence. Three (3) such incidents in a 90-day period will be considered a “tardiness pattern” and will be considered excessive, and the reasons for tardiness or leaving early may come under question. Other factors, like the degree of lateness, may be considered.

All employees should be aware that excessive absenteeism, lateness, or leaving early may lead to disciplinary action, up to and including dismissal from employment.

Attendance records will be considered when evaluating requests for promotions, transfers, leaves of absence, and approved time off, as well as disciplinary, termination, and layoff decisions.

5.02 CONFIDENTIALITY

The Town’s information and records relating to Town business, operations, plans, projects, strategies, employees, or citizens may be confidential. Therefore, employees must treat all matters accordingly.

No Town information, including, without limitation, documents, notes, files, records, oral information, computer files or similar materials (except in the ordinary course of performing duties on behalf of the Town) may be removed from the Town’s premises without permission from the Town Administrator. Additionally, the contents of the Town’s records may not be disclosed to anyone, except as required by law.

Employees unsure about the confidential nature of specific information are expected to seek clarification from the Town Administrator. Employees will be subject to appropriate disciplinary action, up to and including dismissal, for knowingly or unknowingly revealing information of a confidential nature.

5.03 COMPUTER USE AND COMMUNICATIONS EQUIPMENT POLICY

5.04 PERSONAL DRESS

We expect all employees to come to work with a neat, well-groomed appearance and workplace appropriate clothing. Dress requirements may vary by department; however, certain rules apply across the board to all employees. All clothes should be clean and neat in appearance. Employees generally are expected to report to work during inclement weather. However, there may be occasions when the Town will be closed due to severe inclement weather. If you do not come to work because of inclement weather, you must use your earned vacation time, sick days, or personal days. If your earned benefits have been exhausted, you will not be paid for the time missed, unless otherwise required by law.

If you are an hourly employee and you come to work and the Town closes because of weather, loss of electricity or an emergency beyond our control, you will be paid a minimum of two (2) hours or the time you worked, whichever is greater.

5.06 SOLICITATION AND DISTRIBUTION

No solicitation of any kind is permitted during working time, unless first approved by the Board of Selectmen. "Solicitation" is defined as requests for contributions, donations, raffles, lotteries, membership in organizations, attendance at events, or other similar conduct. "Working time" is defined as time during which the employee is scheduled to be working, exclusive of established break periods, meal times, and time before and after work hours. This rule applies to solicitations of both charitable and non-charitable causes.

No distribution of any non-work related written materials is permitted in any work area of any kind, unless first approved by the Town Administrator. "Work areas" are defined as any Town office or facility, other than designated break areas.

Employees may solicit or distribute materials only during break time or outside of scheduled work hours. Persons not employed by the Town are likewise prohibited from distributing materials or soliciting employees on the Town's premises at any time, unless authorized by the Board of Selectmen.

5.15 DISCIPLINE

A. INTRODUCTION

It is the policy of the Town to take corrective action against employees who violate rules, regulations, or standards of conduct, or who endanger the safety of others, or perform in an unsatisfactory manner. Generally, there are four (4) types of disciplinary actions used by the

Town: documented verbal warning, written warning, suspension, and dismissal. While the Town will apply the concept of progressive discipline when appropriate, it reserves the right to determine the appropriate level of discipline in any circumstance. In addition, nothing in this policy or Personnel Manual undermines the at-will nature of the employment relationship, which may be terminated at any time by either party with or without cause, and regardless of whether any prior disciplinary action has been taken. The Town may also place an employee on administrative leave, paid or unpaid, on a temporary basis, as permitted under federal and state law. Police department policies are controlling on police department personnel.

B. DOCUMENTED VERBAL WARNING

The department head or supervisor shall issue a verbal warning within thirty (30) business days of his or her knowledge of any infraction. The department head or supervisor shall notify the employee of the nature of the infraction and will offer remedial suggestions. A memorandum outlining the nature of the offense may, at the discretion of the department head, be placed in the employee's personnel file.

The employee shall have no right of appeal regarding a documented verbal warning.

C. WRITTEN WARNING

The department head shall issue any written warning within thirty (30) business days of his or her knowledge of any infraction. The warning shall outline the nature of the infraction and will offer remedial suggestions. A copy of the warning shall be placed in the employee's personnel folder.

The employee may appeal a written warning by following the grievance procedure set out below.

D. SUSPENSION

Except as required by law, the department head shall recommend to the Board of Selectmen that an employee be suspended, with or without pay within fifteen (15) business days of his or her knowledge of any infraction. The recommendation shall be in writing, with a copy delivered to the employee in hand or by certified mail, return receipt requested. Police Department policies are controlling on police department personnel.

The Board may, upon receipt of any such recommendation, direct the Town Administrator to conduct an impartial investigation and to report to the Board the Town Administrator's findings. Any investigation shall be completed within thirty (30) business days.

The Board shall, thereafter, meet within thirty (30) business days to consider the department head's recommendation and to consider, if appropriate, the Town Administrator's investigation. The employee shall have notice of the decision of the Board. The employee may have the opportunity to contest the recommendation of the department head before the Board. The Board may adopt whatever rules of procedure for said hearing it deems fair and equitable.

The decision of the Board on any recommendation for suspension shall be final.

E. TERMINATION

Except as required by law, the department head shall recommend to the Board of Selectmen that an employee be dismissed within twenty (20) business days of his or her knowledge of any infraction. The recommendation shall be in writing, with a copy delivered to the employee in hand or by certified mail, return receipt requested.

The Board may, upon receipt of any such recommendation, direct the Town Administrator to conduct an impartial investigation and to report to the Board the Town Administrator's findings. Any investigation shall be completed within thirty (30) business days.

The Board shall, thereafter, meet within thirty (30) business days to consider the department head's recommendation and to consider, if appropriate, the Town Administrator's investigation. The employee shall have notice of such recommendation. The employee shall have the opportunity to contest the recommendation by the department head before the Board. The Board may adopt whatever rules of procedure for said hearing it deems fair and equitable.

The decision of the Board on any recommendation for suspension or termination shall be final.

A business day shall have the same meaning as a day when the Town Hall is open for normal business.

Knowledge of any infraction shall mean a determination after an investigation of a violation of policy, procedures or law.

When an employee is required by law to have a hearing before termination, the employee shall be placed on administrative leave with or without pay as determined by the Board of Selectmen pending the outcome of the hearing.

Any provision hereof notwithstanding, theft, use of alcohol or drugs and the unauthorized use of a Town vehicle or equipment, including unauthorized passengers, are grounds for immediate administrative suspension with pay by a department head and may be grounds for termination in any event.

F. GRIEVANCE PROCEDURE

The Town has a three (3) step grievance procedure:

1. Step 1. The employee shall submit a grievance in writing to his or her department head or supervisor.

2. Step 2. If the employee's immediate supervisor is not a department head and the employee is not satisfied with the response of his or her immediate supervisor, then the employee may submit a grievance to the department head.
3. Step 3. If the employee is not satisfied with the department head's decision, the employee shall submit a grievance to the Board of Selectmen in care of the Town Administrator. The Town Administrator shall provide a recommendation to the Board of Selectmen and the Board shall consider the grievance at its next regularly scheduled meeting after the Town Administrator's recommendation. The Town Administrator shall provide a copy of his or her recommendation to the Board to the employee by delivery in hand or certified mail, return receipt requested. The decision of the Board on the grievance shall be final.
4. This policy shall not apply to Police Department personnel.

VOLUNTARY DISPUTE RESOLUTION PROCEDURE

If you feel you have a problem, you should present the situation to your supervisor so that the problem can be settled by examination and discussion of the facts. We hope that the supervisor will be able to satisfactorily resolve most matters.

An employee who is not satisfied with the supervisor's response is urged to go to the Department Head and again try to resolve the issue. If the matter is not resolved by the Department Head within fifteen (15) business days, the Town Administrator is available to discuss the issue. We urge every employee to follow through rather than be dissatisfied. Any complaint will be investigated and the findings and determination reported back to the employee.

Your suggestions and comments on any subject are important to us so we encourage you to take every opportunity to discuss them with us. Your job will not be adversely affected in any way because you choose to use this procedure.

H. PERSONNEL RECORDS

The Town maintains certain records containing job-related information on all employees to ensure compliance with state and federal law and to keep a record of your progress as an employee. Your personnel file is our record of information relative to your employment. You may inspect your own personnel file during regular office hours, upon reasonable request.

However, you may not be permitted to review your personnel file if you are subject to an investigation at the time of your request and disclosure of such information would prejudice law enforcement. File inspection must be done on your own time, and must be arranged through the Town Administrator. You may read your personnel file, but you may not remove any portion of the file. Upon request, you will be provided with a copy of all or part of your personnel file.

If upon inspection of your personnel file, you disagree with any of the information contained in such file, you may submit a written statement explaining your version of the information together with evidence supporting such version. The Town will maintain such statement as part of your personnel file and will include the statement in any transmittal of the file to a third party.

It is important that your personnel file includes accurate information regarding who should be contacted in case of emergency. Please notify the Town Administrator as soon as possible of any changes in your name, address, telephone number, marital status, dependents and/or beneficiaries.

I. PROMOTIONS, TRANSFERS & JOB POSTINGS

The Town strives to provide employees with the opportunity to make full use of their skills, interests and potential. To support employee growth and development, we will make every effort to promote qualified employees from within the Town, if possible, based upon the needs of the Town and employee qualifications. We may also recruit individuals from outside of the Town, depending upon the circumstances.

Employees who have at least twelve (12) months of service in their present position and who meet the qualifications of the open position are eligible to apply for open jobs with the Town. Generally, in order to maintain stability, employees who have been working in their current position for less than one year will not be considered for another position, unless the Town, in its discretion, decides otherwise. However, a transfer or promotion initiated by the Town may take place at any time regardless of the employee's length of service in their present position.

Employees may obtain additional information about open positions and request consideration for any opening by the Town Administrator. The Board of Selectmen will have final approval over all transfers and promotions.

If a transfer or promotion is granted, the employee's pay rate in the new position will be determined at the time of the transfer or promotion. The pay rate will be based upon the employee's qualifications, experience, job performance evaluations, and other considerations within the discretion of the Town, unless otherwise governed by a collective bargaining agreement or other Town policy.

Employees will generally receive a performance evaluation after 90 days in a new position. Another performance evaluation will typically be conducted after 12 months of service in the new position. Employees may be eligible for a pay increase in conjunction with the month evaluation, depending upon the circumstances.

Promotion to the position of Chief of Police shall not have a probationary period.

6.0 EMPLOYMENT SAFETY AND HEALTH

6.01 HEALTH & SAFETY PROGRAM

Safety is of great concern to the Town. It is important that we all keep safety foremost in our minds to ensure that our work environment is as safe as possible. Safety can only be achieved through teamwork. Each employee, supervisor, and official must practice safety awareness by being alert, anticipating unsafe situations, and reporting unsafe conditions immediately. Please observe the following precautions:

- a. Notify your supervisor of any emergency situations. If you are injured or become sick at work, no matter how slightly, you must inform your supervisor immediately.
- b. The use of alcoholic beverages, illegal drugs, or the abuse of legal drugs during work hours will not be tolerated. Possession of alcohol or any illegal drugs on Town property is prohibited.
- c. The use, adjustment, and/or repair of machines or equipment is to be performed by you only if you are trained and qualified.
- d. Get help when lifting or pushing heavy objects.
- e. Understand your job fully and follow instructions. If you are not sure of a safe procedure for performing work, ask your supervisor.
- f. Know locations, contents, and intended use of all first aid and firefighting equipment.
- g. Wear personal protective equipment as directed in accordance with the job you are performing.
- h. Understand and practice all safety procedures when handling, loading, or transporting hazardous materials.
- i. All job descriptions include keeping our facilities and lots clean and safe. Every employee must participate in this effort.

Violations of safety precautions may lead to disciplinary action, up to and including termination.

6.02 SAFETY COMMITTEE

The Town maintains an active JLMC Safety Committee comprised equally of management and regular employees, which meets quarterly. All participation is voluntary and is strongly encouraged. If you are interested in becoming a member, please see the Town Administrator for details.

6.03 WORKPLACE VIOLENCE

Unfortunately, violence in the workplace has become a reality for many employers. We hope that we never have to face this growing problem. The Town therefore prohibits employees from bringing weapons on our premises, including our parking lots. Moreover, violence and verbal or physical threats of violence of any kind in the workplace or on Town property will not be tolerated, and employees engaging in such conduct will be subject to discipline, up to and including separation from employment. Responsive action may also include notifying the police or other law enforcement and prosecuting violators of this policy. If you become aware of any violence or threat of violence, you must immediately report the matter to your department head or the Town Administrator.

6.04 ALCOHOL AND DRUG POLICY

The Town is committed to providing a safe work environment that is free from the effects of drugs and alcohol. See Alcohol & Drug Free Workplace Policy for further explanation of this policy.

Drug and alcohol use in the workplace can create health, safety, and security issues for our employees, citizens and visitors. Town is committed to providing a safe work environment that is free from the effects of drugs and alcohol. In support of our commitment, Town prohibits the following conduct and other conduct which, in our determination, is inconsistent with our commitment:

the manufacture, distribution, sale, dispensation, possession, storage, or use of a controlled substance, unauthorized prescription drug, or drug paraphernalia at any time on Town premises, on Town business, or during working hours;

use, possession, storage, manufacture, distribution, dispensation, or sale of alcohol at any time while on Town premises, on Town business, or during work hours;

reporting to work or otherwise working under the influence of drugs or alcohol, or under the influence of legal drugs that may impair your ability to safely perform your job functions;

reporting to work in a condition that is not fit for work. In addition to being under the influence as mentioned above, other indications of a lack of fitness for duty are smelling of alcohol, appearing to be hung over, or otherwise appearing or being unable to effectively interact with citizens, visitors and co-workers and work safely and properly without impairment;

failing to submit to a required fitness for duty exam.

Town also maintains the following reporting requirements:

Any employee who is taking medication that may impair his or her ability to safely perform job functions must inform his or her supervisor immediately, and must not perform any work until authorized to do so by Town.

If any employee is involved in drug misconduct (including the use or possession of illegal drugs or unauthorized prescription drugs) on Town premises or while working for the Town, Town reserves the right to report the incident to law enforcement authorities;

If any person observes an employee exhibiting behavior that may be indicative of impairment by drug or alcohol use, he or she should immediately report the behavior to their department head.

Investigations and Searches:

When Town determines that there is reasonable cause to suspect that an employee has violated this policy, Town reserves the right to inspect, without prior notice, lockers, work areas, desks, cabinets, purses, bags, briefcases, other belongings, and vehicles brought on Town premises or at locations where work-related activities are being conducted. Cause to suspect shall be solely in the judgment and discretion of Town.

Violations of this Policy:

Employees must, as a condition of employment, abide by the terms of this policy. Violations of this policy will result in disciplinary action, up to and including termination, and may also have legal consequences.

Fitness for Duty Exams:

Town reserves the right to require any employee to submit to a fitness for duty exam when there is a reasonable basis for Town to believe that the employee may be under the influence of alcohol or drugs or may be otherwise unfit for duty. Fitness for duty exams may include, but not be limited to, tests for the presence of drugs or alcohol. Employees must consent to fitness for duty exams as a condition of employment. The cost of any such fitness for duty exams will be covered by the Town. Within Town's discretion, an employee may be placed on paid or unpaid administrative leave or suspension pending the results of a fitness for duty exam.

6.05 SMOKING POLICY

The Town is committed to providing a safe, healthy, and smoke-free work environment for our employees, visitors, and vendors. Consistent with our commitment and state law, we have

declared a no smoking policy within our building and in Town vehicles, except in a designated smoking area.

No smoking is allowed in any areas of Town buildings, except in the designated smoking area. Anyone wishing to smoke must do so only during authorized breaks in the designated area. The Town hopes and expects that our employees will comply with the non-smoking policy. If you have a concern or complaint with respect to any employee, visitor, or vendor violating this policy, please report such concern or complaint to your department head.

If an employee fails to comply with these rules, the employee will be subject to disciplinary action, up to and including termination.

6.06 WORKPLACE SEARCHES

To safeguard the safety and property of our employees, residents, and the Town and to help prevent the possession and use of weapons and illegal drugs on Town premises, it may become necessary to question employees and all other persons entering and leaving our premises, and to inspect any packages, parcels, purses, handbags, briefcases, lunch boxes, or any other possessions or articles carried to and from Town property. In addition, the Town reserves the right to search any employee's office, desk, files, locker, or any other area or article on our premises in pursuit of our concern to safeguard the safety and property of employees and the Town. Employees should understand that all offices, desks, files, lockers, and so forth, are the property of the Town and are issued for the use of employees only during their employment with the Town. Inspections may be conducted at any time at the discretion of the Town.

Employees working on or entering or leaving the premises who refuse to cooperate in an inspection, as well as employees who after the inspection are believed to be in possession of stolen property, weapons, or illegal drugs, may be subject to disciplinary action, up to and including discharge.

7.0 SEPARATION FROM EMPLOYMENT

7.01 REQUESTED NOTICE OF DECISION TO TERMINATE EMPLOYMENT

Should you decide to resign from your employment with the Town, we ask that you notify your department head of your decision at least two (2) weeks in advance of your planned departure date. Your thoughtfulness will be appreciated, and will allow the Town to maintain work schedules and provide important services to the public.

7.02 EXIT INTERVIEWS

In most instances, employees who terminate their employment will be asked to participate in an exit interview with the town administrator. The purpose of the exit interview is to discuss any

relevant separation benefits and benefit continuation, and to receive feedback from you on ways in which our Town can improve our operations and retention of employees.

8.0 COMPENSATION SYSTEM

8.01 PERFORMANCE EVALUATIONS. In order for you to improve your performance and better understand the Town's expectations, the performance of employees will be periodically reviewed. You will generally receive performance appraisals from your department head. However, performance review is a continuing process throughout the course of employment, and you may meet with your supervisor to discuss performance more frequently.

Your department head or supervisor will discuss your performance review, giving you the opportunity to understand the expectations of your position and to examine your strengths, as well as areas in which you need to improve. You will have the opportunity to comment on and sign the review. Your signature on the performance evaluation form indicates that you have seen the evaluation; it does not indicate agreement or disagreement with the content of the review.

A performance evaluation is not a contract or a commitment to provide a compensation adjustment, a promotion, a bonus, or continued employment. Evaluations are only one of several factors that the Town uses to make compensation, promotion, and retention decisions.

8.02 PURPOSE. The Select Board shall be responsible for the development and maintenance of a uniform and equitable pay plan for the employees of the Town of Allenstown. It is the policy of the Select Board to award employees regular increases in salary or wages based on the following categories:

Several questions seek a response as to the frequency or duration of a condition, treatment, etc. Your answer should be your best estimate based upon your medical knowledge, experience, and examination of the patient. Be as specific as you can; terms such as “lifetime,” “unknown,” or “indeterminate” may not be sufficient to determine FMLA coverage. Limit your response to the condition for which the employee is seeking leave.

If you are unable to make certain of the military-related determinations contained below in Part B, you are permitted to rely upon determinations from an unauthorized DOD representative (such as DOD recovery care coordinator). Please be sure to sign the form on the last page.
