Re: Lot Line Adjustment Plan between Benoit Demers and the Allentown School District.

Dear Dana,

The intent of this plan is to annex 2,541 square feet of land from the Allentown School District property which is Tax Map 112, Lot 237 and to make it a part of the Benoit Demers property which is Tax Map 112, Lot 235. The purpose of this plan is to adjust the lot line so that part of the Allentown School District land Mr. Demers has occupied and built improvements on (shed, pool and retaining wall) would become part of his property.

Sincerely,

Peter Holden
