CO 210-11 Temporary Parking Regulations

This ordinance authorizes the Chief of Police or Road Agent to temporarily post or cause to be temporarily posted streets “No Parking” on which construction, deliveries, or other temporary impediments may be occurring and when the allowed parking areas would cause further traffic problems. Vehicles parked within these prohibited areas are in violation and subject to fines in accordance with this chapter. This ordinance only applies for a specific time frame and the signs will be in place no more than 30 days without the approval of the Board of Selectmen. Temporary signs may be used to enforce this ordinance. This ordinance is enacted in accordance with the authority of RSA 41:11.

¹ The Select Board reserves the right to hold any non-public session during the Regular Meeting, whether noted on the Agenda or not. Notice of a non-public session on an agenda is for planning purposes only. The citations to the Right-to-Know Law, set out at NH RSA 91-A, are provisional and may be revised as circumstances require.

² Any time noted on an agenda is approximate only, and may not reasonably create an expectation that an item will be reached at that time. Items are normally taken up in the order in which they appear unless modified by the Select Board. New business is not considered after 9:00 p.m.

CO 210-11:1 Exceptions

Notwithstanding any other exception outlined by law, the exceptions listed below shall be the only exceptions recognized under this section. This section shall not apply to any vehicle:

- A. while actually engaged in loading or unloading of merchandise or property, or
- B. when done so at the direction of a police officer or official traffic control device.

CO 210-11:2 Penalty

Any motor vehicle found in violation of the above chapter, will be ticketed and an initial fine will be imposed upon the registered owner of twenty (\$20.00) dollars for each offense. Said fine must be paid within five (5) working days from the date of issue. If the fine is not paid within the prescribed period, the penalty will automatically increase to fifty (\$50.00) dollars and a warning letter will be sent to the registered owner demanding payment of that amount.

If the fine is not paid within five (5) working days of the date of the first warning letter, then a second warning letter will be sent advising that the penalty has automatically increased to one hundred (\$100.00) dollars. That fine must then be paid within five (5) working days of the date of the second warning letter.

Failure to pay the fine within the above-referenced timeframe shall constitute a violation, as specified in N.H. Rev. Stat. Ann. § 651:2, and may be punishable by a fine of not more than \$1,000.00 for each offense and subject to prosecution under existing New Hampshire laws.
