

Selectboard Meeting September 21, 2020 Start Location Update for Virtual Meeting

In order to comply with CDC Guidelines, the Virtual Selectboard Meeting will still be at the Town Hall Via Conference Call and on Zoom; however, there will be an interesting twist to the beginning of meeting.

The Zoom and Conference Call will start about 25 minutes before the actual meeting time of 6:00PM. **The commencement of the actual meeting will start at 6PM; however....The start of the meeting will actually be via a Town Administrator Zoom Connection from the Allenstown Community Center Cafeteria 8 Whitten Street (Use Reynolds Street Entrance) where a presentation of a proclamation for retired Dentist Dr. Charles Albee will occur.**

The Board will then go back to the Town Hall to continue the Virtual Meeting from Town Hall for the rest of the agenda items.

This means that start most of the agenda items will not occur until approximately 6:30PM when the meeting resumes back at the Town Hall Meeting Room. Thus a quorum of the Selectboard will be at the Allenstown Community Center broadcasting via Zoom and the conference line at Town Hall, then recess back to the Town Office.
