Renewal of ERZ Certification

PLEASE COMPLETE and MAIL THIS FORM BY December 31, 2021

To:

Department of Business and Economic Affairs  
Division of Economic Development  
Attention: Bridgett Beckwith, Program Manager  
100 North Main Street, Suite 100  
Concord, NH 03301

The town of Allenstown wishes to have the following ERZ area remain in the current Economic Revitalization Zone program:

X Suncook Economic Revitalization Zone (approved 4/11, renewed 5/16)

The town of Allenstown certifies that the area selected above continues to meet the criteria for inclusion in the ERZ program under current statute.

Please give a brief explanation of how the zone(s) continue to meet to the criteria for inclusion.

While we have not had much development recently in Allenstown, we still have properties that are underutilized in town, which could use this incentive to incentivize development in the zone. Board of Selectmen approved renewal following a public hearing on 11-1-21.

If BEA does not receive notification of the above, BEA will discontinue designation of the area(s) as ERZs under the current statute.

For further information or questions, please contact Bridgett Beckwith, the ERZ program manager at 271-2342.
