

SUNCOOK VALLEY ROD AND GUN CLUB, INC.

354 ACADEMY ROAD
SUNCOOK, NEW HAMPSHIRE 03275

February 2024

Dear Potential Sponsor:

I am the Chairman for the Suncook Valley Rod and Gun 2024 Annual Fishing Derby. Over the past 40 years our club, located at 345 Academy Road in Pembroke NH, holds a fishing derby free of charge for the children and senior citizens of the area.

We stock the pond at the club with trout. Each child between the ages of four to twelve is allowed to catch three fish. We award grand prizes for first limits and largest fish caught. We give smaller prizes for all other children as they catch their limits. At the end of the children's derby, we draw names for a boy and a girl, from each age group, to win a brand-new bicycle.

We have scheduled the kid's fishing derby for Sunday, May 19th from 9:00 a.m. to Noon and our senior citizen fishing derby is to take place the following Sunday, May 26th, also from 9:00 to Noon.

We are asking local merchants and organizations like yours for help by giving a cash donation or gift certificate(s). We realize that during these difficult economic times, it isn't easy, but it's thanks to the help of our local area businesses that we have been able to continue this long-standing tradition of fun at no cost to the families.

Won't you please sponsor this family fun day? We can't thank you enough for your consideration and look forward to establishing a relationship with you and perhaps your continued support. An advertisement banner is displayed for all our sponsors and announcements are made throughout the event in recognition of all our supporters. We are very excited about the upcoming derbies and another great year for the kids and seniors!!

Please feel free to contact me should you have any questions.

Sincerely,
