Application for Variance

Dear Mr. Pendergast:

Pursuant to our conversation from earlier today, please consider this letter to be a request to supplement the above-referenced pending variance application.

More specifically, due to a recent reorganization and renumbering of the Town's Zoning Ordinance, please supplement our pending application such that it refers to a request for variance from Article XI, Section 1125(6) (instead of Article VI, Section 602(I)(n)(1)). I will prepare and file further supplemental documents before the hearing, which I understand will be scheduled for next Wednesday, April 12, 2017.

Sincerely,

  
Michael A. Klass
