March 4, 2020

Allenstown-Pembroke, 40362
NH Route 28 over Suncook River
Bridge Replacement

Mr. Derek Goodine
Allenstown Town Administrator
16 School Street
Allenstown, NH 03275

Dear Mr. Goodine,

Arrangements have been made by the Department to hold a Public Informational Meeting to discuss the planned bridge replacement of the Route 28 bridge over the Suncook River in the Towns of Allenstown and Pembroke. Due to the deteriorated condition of the bridge, the concrete deck and the superstructure will be replaced. There will also be traffic control associated with this project.

The meeting is scheduled for Thursday, March 19, at 6:00 PM at the Pembroke Town Hall, 311 Pembroke Street in Pembroke, New Hampshire.

The purpose of this meeting is to present citizens and public officials with information regarding the proposed project and to solicit public input in order to ensure that project decisions meet public transportation needs, community goals, and protect and enhance the environment. Accordingly, NHDOT assures that this project will be administered according to the requirements of Title VI of the Civil Rights Act of 1964 and all related statutes to ensure nondiscrimination.

This project may have an effect on cultural or historic resources that are potentially eligible for or listed in the National Register of Historic places. Individuals or organizations with a demonstrated interest in the potential impacts to historic resources have an opportunity to become consulting parties under Section 106 of the National Historic Preservation Act. Additional information will be provided at the public informational meeting.

Any individuals needing assistance or auxiliary communication equipment due to sensory impairment or other disability, should contact the Bureau of Right-Of-Way, NHDOT, PO Box 483, Concord, New Hampshire 03302-0483 – TDD Access: Relay NH 1-800-735-2964. Notification of the need for assistance should be made as soon as possible.

It is hoped you will plan to attend this meeting.

Sincerely,

David L. Scott, PE
In House Design Chief
