### GMI Asphalt, LLC Organization Profile

GMI Asphalt, LLC was founded in 2010 by Warren Colby and his wife Renay. Warren combined 2 established, long-running asphalt companies, GMI and CLD Paving, into one large corporation providing the best of the best to all its customers.

Many of our employees stayed through the transition and continue to offer the same high quality service and experience they gave to their previous organizations.

GMI Asphalt, LLC has continued to grow with each and every paving season with active job sites throughout the state some of which carry multi-year contracts with municipalities ensuring both financial benefits to the towns and securing work for our valued crews.

Below is a small list of the dedicated staff we have:

Warren Colby	Owner/Director of Operations	30+ years experience
Jeff Perry	Project Manager/Operations Manager	20+ years experience
Carrie Chapman	Executive Administrator	14 years experience
Ron Vaillancourt	Project Manager, Estimator	15+ years experience
Randy Chambers	Paver Operator, Foreman	30+ years experience
Scott Ouellette	Paver Operator, Foreman	30+ years experience
Brian Cheney	Excavator Operator, Site Supervisor	20+ years experience
Charlie Brown	Excavator Operator, Site Supervisor	20+ years experience
Mike Buckley	Grader Operator, Site Supervisor	15+ years experience
Norm Huard	Reclaimer Operator, Site Supervisor	15+ years experience

GMI also employs over 35 laborers most of which have been with our company for many years providing the experience and knowledge about how to best handle unforeseen conditions and the most complicated of grades.

In 2016, Warren acquired the R.D. Edmunds and Sons excavating and sitework company, as well as the Hard Drives asphalt plant and Cold Brook Sand & Gravel. With this expansion, GMI Asphalt has become one of the largest paving and site work organizations in New Hampshire. With owning our own asphalt plant and the gravel quarry, we are able to offer more competitive pricing while maintaining the same high-quality work we are known for.

We thank you for your time and look forward to working with you.
