The following programs will be offered to Allenstown families in need during the upcoming holiday season. If you would like to apply for either of these programs, please call **485-4276, ext. 110** to make a confidential appointment with the Allenstown Welfare Department.

2019 Holiday Family Assistance Programs

Children's Holiday Wish Program – Holiday gifts are provided to families (children 17 and under) through community donations. **Sign-ups will take place via appointment through November 18, 2019.**

Holiday Food Basket – Holiday Food Baskets are provided through the Capital Region Food Program to families in need on December 22nd. **Sign-ups will take place via appointment through November 18, 2019.**

These programs are made possible through community donations and, therefore, cannot be guaranteed. Past participation in either of these programs does not ensure enrollment for the current year. Proof of enrollment in one or more of the following are required: Food Stamps, Fuel Assistance, SSI/SSDI, TANF, Mortgage/Rental Assistance (Section 8), Free/Reduced Lunch, WIC or Medicaid.

Donations: Angel Tree tags will be available at the Allenstown Town Hall to donors to take beginning November 18, 2019. Monetary donations are appreciated as well - to pay for gifts for children whose tags are not taken. This is a neighbors-helping-neighbors program and your support is much appreciated!
